

## Alzheimer's Association Offers New Caregiver Support Group

The Alzheimer's Association-North Central Texas Chapter seeks to offer **The Telephone Support Group** for individuals providing care for persons with Alzheimer's disease or a related dementia. **The telephone support group** is designed to provide the caregiver opportunities for sharing, education, and support through a telephone conference. Telephone Support Group participants and a telephone support group facilitator connect with each other for **one-hour sessions twice per month**. An application is required.

*"Not having any idea how to care for my sister, I found the sessions extremely helpful!"*

*"This was a wonderful program. It gives you the opportunity to "vent" a little."*
