

your gifts at work in our community

There are 75,000 people with Alzheimer's, a related dementia, or who are at immediate risk living in Orange County. We offer help and hope to these people, their families, and their caregivers. You make our efforts possible.

We respect the right of our donors to know how their money is being spent to further the mission of the Alzheimer's Association. We are proud to report that the Association earns high marks from those agencies whose job it is to monitor the activities of nonprofit organizations.

allocation of expenses

The Alzheimer's Association national organization meets or exceeds relevant watchdog standards in its allocation of donor dollars. According to the BBB Wise Giving Alliance, nonprofit organizations should spend at least 65 percent of its total expenses on program activities, with remaining funds going to administrative and fundraising expenses.

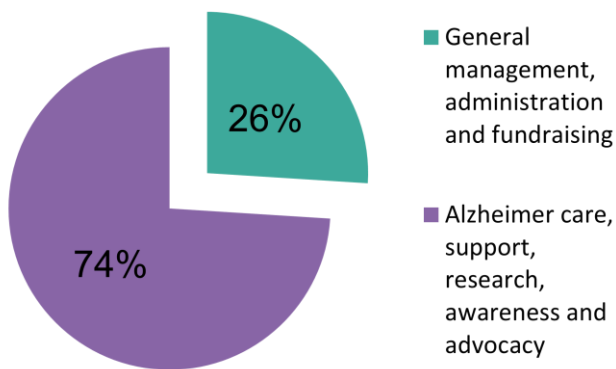

We continue to meet and exceed these minimum standards with 74 percent of our total annual expenses going to care, support, research, awareness and advocacy activities.

how we fund our mission

Funding for Alzheimer's care, support, advocacy and research comes primarily from individual donors and from organizations whose work is aligned with our mission. Our collaborative partners include corporations, foundations, membership organizations and government agencies.

Your gift helps us to accelerate our mission to eliminate Alzheimer's disease and to provide the best care and support for those living with Alzheimer's and related dementias.

your gifts helping those in need

We offer our comprehensive array of programs and services to those in need, free of charge-made possible by the kindness of others.

\$25 ensures that a call to our 24/7 Helpline will be answered by a trained professional able to offer resources, answers and assurance anytime day or night.

\$50 provides enrollment in our MedicAlert®+ Safe Return® program, a nationwide safety net to ensure the safe return of someone with dementia who wanders and becomes lost.

\$100 funds two hours of Care Consultation with a trained professional on our staff for a family struggling with Alzheimer's.

\$1250 makes possible a monthly support group, providing critical support for those with the disease, their families, and caregivers.
