

The Learning Institute™ is the leader in dementia education. As an affiliate of the national Alzheimer's Association, we are able to contribute to and offer the most up-to-date research and resources available.

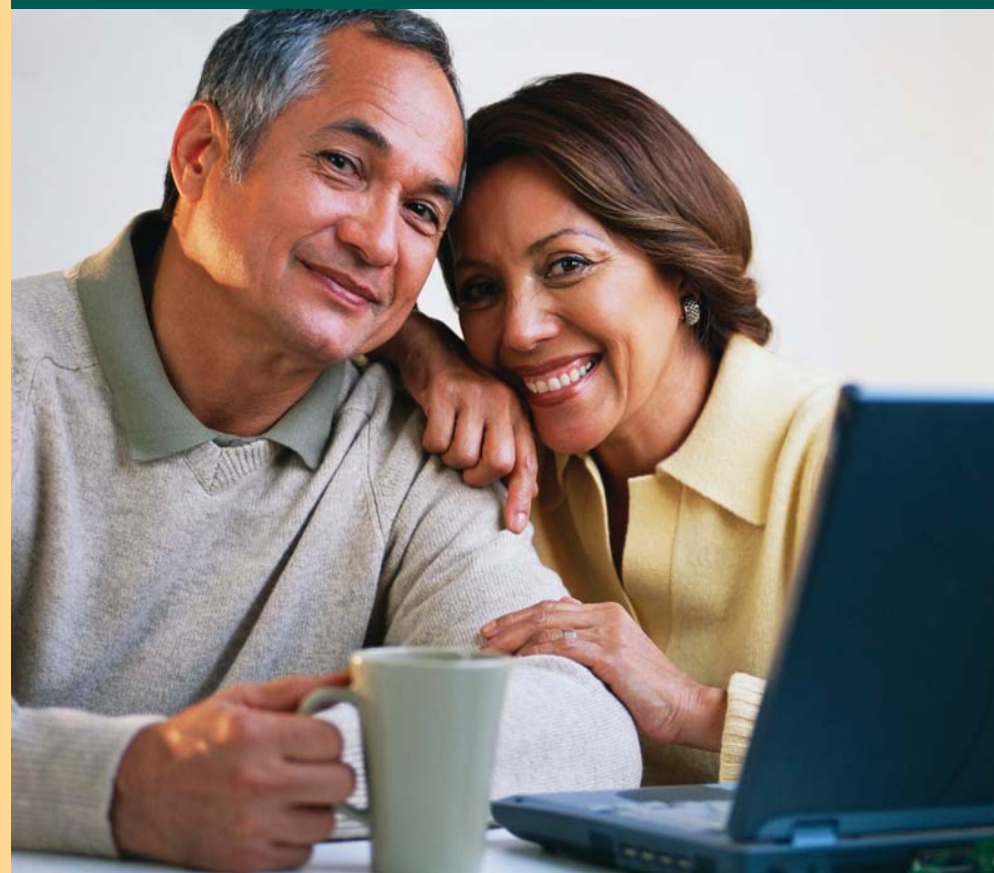

The Learning Institute™ is the exclusive trademark of the Alzheimer's Association Rochester, NY, and we're proud to be the only provider of such high caliber services in our area.

Online Courses

presented by

The Learning Institute™

The *only* local experts in dementia-specific, culturally sensitive, caregiver education.

Get the best dementia-specific education you can from the comfort of your own home.

The Learning Institute™ has developed a diverse range of online courses on the topic of Alzheimer's disease and related dementias. In total, we offer 18 one-hour courses, for both professional and non-professional caregivers.

Topics include: the basics of dementia care, effective communication, challenging behaviors, end of life care, sexuality, spirituality, activities, environment, music, art, and working with families.

Here's what you'll get!

- The most updated, research-validated information on Alzheimer's disease
- Education designed to meet many learning styles and needs
- Flexible and convenient schedules - choose the course you want, when you want
- Practical tools to help improve communication, lessen challenging behaviors, provide a safer environment, and guide more meaningful activities
- Continuing education credits*
- Cost effective - Just \$10 / course / person, easily paid online by credit card
- Try our It's All Online! unlimited use packages for organizations - \$499 for up to 500 users and \$899 for up to 1,000 users

Professional caregivers will find Learning Institute™ online courses match the highest content standards with the convenience and flexibility of the web-based education. Family caregivers will find the content helpful and easy to apply to their own personal situation.
