Corporate Sponsorship Opportunities

- In South Carolina alone, an estimated **80,000 people** are currently living with Alzheimer's disease or related dementia.
- **Every 70 seconds**, someone is diagnosed with Alzheimer's disease in the United States.
- Without a breakthrough in research, as many as **16 million Americans** will be living with Alzheimer's by 2050.

**WE'RE ON THE
MOVE
TO END ALZHEIMER'S!**

Join us in our vision of a world without Alzheimer's.

Leading the state and the nation in Alzheimer's services

The Alzheimer's Association is the leading voluntary health organization in Alzheimer care, support and research. With your help, we can continue to provide compassionate local services while pursuing our goal of one day eliminating the disease through advances in research and advocacy. Your contribution makes a difference.

With regional offices across the state, more than 90 support groups, and a toll-free helpline that is staffed 24-hours/day, 7 days/week all year long, the South Carolina Chapter is here to serve you.
