***Accepting the Challenge: Providing the best care for people with dementia.**

(DVD). (Length: 190 mins, Date: 2003) **Topics:** Caregiving

Designed to help caregivers and health care professionals provide the best possible care for people with dementia. Through interactive classroom lecture and demonstration to on-site interactions with Alzheimer's patients, viewers will be challenged to open their minds and their hearts to a new way of thinking, learning, and caregiving.

Alone But Not Forgotten (with accompanying manual). (Length: 48 mins, Date: 2000) **Topics:** Caregiving

The video focuses on the issue of providing care to individuals with Alzheimer's disease who live alone. One story portrays an African-American woman who gets help from her sister who lives nearby and community agencies. The other story shows a Caucasian woman who has no family but receives care from community programs. The video raises safety, health, transport, and relationship issues.

***Alzheimer's Disease Do's & Don'ts.** (Length: 25 mins, Date: 2000) **Topics:**

Caregivers, Support Groups

Interviews with members of a support group facilitated by Peter Rabins, this video discusses do's and don't for family caregivers. Part of a 2-part video series entitled Interacting with Alzheimer Patients: Tips for Families and Friends (other part is titled Recognizing & Preventing Caregiver Burnout).

Alzheimer's Disease: Natural Feeding Techniques. (Length: 14 mins, Date: 1993)

Topics: Feeding

Uses three case studies to show techniques for encouraging feeding and avoiding use of feeding tubes for individuals with dementia. The program suggests making breakfast and lunch the biggest meals of the day, serving a variety of food, using more staff to help out at mealtimes, and offering cues for chewing and swallowing. Produced by the Department of Veterans Affairs.

Alzheimer's Special: Driving & Dementia Don't Mix. (Length: 30 mins, Date: 1995)

Topics: Driving

A physician, an occupational therapist, and a representative from the Missouri Department of Motor Vehicles discuss driving and dementia. Three people talk about problems they've experienced when people with dementia continue to drive. Segments of the video pertain specifically to the state of Missouri. Produced by the St. Louis, Missouri chapter of the Alzheimer's Association.

Best Friends. (Length: 14 mins, Date: 1993) **Topics:** Respite, Volunteers

This video demonstrates that individual care can significantly improve the quality of life for persons with Alzheimer's and can prevent difficult-to-manage behaviors. It profiles a model volunteer program that provides care for persons with Alzheimer's disease in a day care center. Working one-on-one, the volunteers provide both respite for the caregiver and safe, creative companionship for the person with dementia.

Category: Caregiving

Caregiver Issues: Planning the Care of Aging Loved Ones. (Length: 20 mins, Date: 1998) **Topics:** Caregiving, Family

Doug Manning discusses family conflict and care for the caregiver on this video. He discusses the need for a family meeting to plan care, caregiver bill of rights, dealing with family conflict and uneven distribution of responsibility, caregiver burnout, and the need for caregivers to accept support and respite.

***Caregiver Series (The): All five parts on this one tape.** (Length: 90 mins, Date: 1990)

Topics: Caregiving

Set of 5 videos developed by the National Alzheimer's Association to address caregiving issues: 2 videos with the complete set; a few videos with just one segment.

Caregiver Series (The): Part 1 of 5 Meeting Daily Challenges. (Length: 15 mins, Date: 1990) **Topics:** Caregiving, ADLs

Family caregivers discuss techniques for assisting with activities of daily living such as eating, bathing, dressing.

Caregiver Series (The): Part 2 of 5 Communicating. (Length: 19.5 mins, Date: 1990)

Topics: Communication

Overview of suggestions for effective communication with an individual with dementia. Provides practical examples of family caregivers as they interact with their loved one. Discusses the importance of maintaining the person's dignity and the importance of using alternative forms of communication such as touching, music, etc. as the person's verbal skills diminish.

Caregiver Series (The): Part 3 of 5 Safety First. (Length: 14.1 mins, Date: 1990)

Topics: Caregiving, Safety

This video makes safety a top priority for Alzheimer's caregiving. It presents ways in which family members and other caregivers can prepare for an emergency involving the person with dementia. It also suggests ideas for making the home accident proof and preventing emergencies.

Caregiver Series (The): Part 4 of 5 Managing Difficult Behavior. (Length: 21.5 mins, Date: 1990) **Topics:** Behaviors, Caregiving

This video presents some of the common feelings Alzheimer's patients experience, and the behavioral problems that often result from such feelings. There are suggestions for caregivers relating to the patient's feelings and to adapting the environment in order to manage these symptoms.

Category: Caregiving

Caregiver Series (The): Part 5 of 5 Caring for the Caregiver. (Length: 20.2 mins, Date: 1990) **Topics:** Caregiving, Family

Caregivers discuss learning how to take care of themselves, understanding how relationships will change, and coping with the stress and sadness of the disease's progression. This video presents an overview of how caregivers can best take care of themselves while providing individuals with dementia the best possible care.

Challenges in Caregiving:. (Length: 35 mins, Date: 1993) **Topics:** Caregiving, Stages
Insights of the progression of Alzheimer's disease and the impact on caregivers.

Combative Residents: Mirror Their Reality Coastal Health Training (Tape Blank).
(Length: 23 mins, Date: 1997) **Topics:** Caregiving, Behaviors
Tape is blank.

Coping with the Incurable. (Length: 14 mins, Date: 1984) **Topics:** Caregiving, Stages
First a lady whose husband develops AD, losing things, gets lost. After many MDs, a diagnosis of AD -- almost a relief to have a name for it. Then Jim 44, quiet, nobody noticed until he lost his job. More as AD progresses. Discussion of AD by an MD. Avoid guilt, get into a Support Group, when things get bad you need the group and probably a home at some point. We have a long way to go in understanding AD and helping caregivers.

Dealing with Alzheimer's Disease: Common Sense Approach to Communication.
(Length: 21 mins, Date: 1990) **Topics:** Caregiving, Communication
Designed to help caregivers understand and deal with the most common behavioral changes and language deficits affecting persons with Alzheimer's disease. (Ramsey Foundation)

***Dealing with Alzheimer's: Facing Difficult Decisions.** (Length: 23 mins, Date: 1992)
Topics: Caregiving, Late Stage, Placement Decisions
Three families discuss the difficult decision in determining home care versus nursing home placement, including treatments, hospitalization, CPR, feeding issues and comfort measures.

***Dementia and Driving: Issues and Answers.** (Length: 12 mins, Date: 1999) **Topics:**
Driving
Dr. Jean Root, Medical Director, Senior Health Center, Police Officer David Gervira and Judy Van Hoef, Exec Dir Alzheimer's Assoc, Oklahoma. Taking away the auto is very touchy. Safety is the key issue. With erosion of judgement and trouble with visual and spatial coordination the patient must stop driving. Several methods are discussed.

Category: Caregiving

Elder Abuse: The Real Definition Compilation of Parts 1, 2 and 3 of 3 parts..

(Length: 60 mins, Date: 2000) **Topics:** Abuse, Healthcare Professional, Training

This 3-part series provides examples of situations that lead the viewer to a fuller understanding of what fits within the definition of elder abuse.

***Elder Abuse: The Real Definition Part 1 of 3 Neglect.** (Length: 18 mins, Date: 2000)

Topics: Abuse, Healthcare Professional, Training

This program considers situations in which neglecting an older person is abusive. The situations include not responding to a call bell, not providing assistance when needed, allowing a resident to remain soiled, not observing and reporting significant change in an older person's physical or mental status, and not reporting signs of pain.

***Elder Abuse: The real Definition Part 2 of 3 Abusive Verbal Confrontations.**

(Length: 22 mins, Date: 2000) **Topics:** Abuse, Healthcare Professional, Training

This program's discussion includes lack of verbal interaction while providing care, lack of responsive feedback to conversation, negative comments concerning condition or abilities, and directing ridicule, anger, and threats at an older person.

***Elder Abuse: The Real Definition Part 3 of 3 Abusive Physical Interactions.**

(Length: 22 mins, Date: 2000) **Topics:** Abuse, Healthcare Professional, Training

Care providers discuss unacceptable physical interactions; use of force when an older person cannot or will not cooperate; grabbing, hitting or pushing a resident; and rough manner.

Facing Alzheimer's: Conversations with Caregivers (Terra Nova). (Length: 57 mins, Date: 2002) **Topics:** Behaviors, Caregiving, Overview

Provides an in-depth look at the impact caring for a loved one with Alzheimer's can have on a caregiver, the other family members, and their lifestyles. From diagnosis to the final days of caregiving, this video uncovers a vast range of emotions, uncertainties, and difficult decisions caregivers experience but rarely talk about openly. Session one includes discussion on initial reactions to diagnosis, coping with changes in a loved one, changes in marital relationships, and children as caregivers for parents. Session two includes discussion of placement decisions, the need for caregiver respite, lessons caregivers learned in taking care of their loved one, and letting go and saying good-bye.

Family Guide to Alzheimer's Disease VOL 2 Behavior Issues (VT). (Length: 67 mins, Date: 2004) **Topics:** Caregiving, Behaviors

Produced by Lifeview. Will help you understand how the disease affects our loved ones behavior, what to expect strategies for altering behavior and improving quality of life. Behaviors: perception of reality, agitation, hallucinations, sleeplessness, sundowning, wandering, incontinence, redirection and "fiblets."

Category: Caregiving

Family Guide to Alzheimer's Disease VOL 3 Daily Life (VT). (Length: 42 mins, Date: 2004) **Topics:** Caregiving, ADLs, Communication

Produced by Lifeview. Will teach you how to help your loved one live at home as successfully as possible for as long as possible. Making home safe, communicating, structuring a manageable daily routine.

Family Guide to Alzheimer's Disease VOL 4 Family Caregiving (VT). (Length: 62 mins, Date: 2004) **Topics:** Caregiving, ADLs

Produced by Lifeview. Shows how to handle daily responsibilities of caring for a loved one and how to get help that is critical for your own health. How and why to get outside help, involving other family members. Handling ADLs like eating, dressing and bathing..

Family Guide to Alzheimer's Disease VOL 5 Transitions (VT). (Length: 44 mins, Date: 2004) **Topics:** Caregiving, End Stages, Placement Decisions

Produced by Lifeview. The end is the hardest when we can no longer care for our loved one at home. Adopting social activities for your loved one, spiritual issues, evaluating care facilities, grieving.

***He's Doing This to Spite Me: Emotional Conflicts in Dementia Care with manual (Terra Nova).** (Length: 22 mins, Date: 2000) **Topics:** Caregiving, Communication, Family

Three caregivers share their experiences and frustrations as they interact with their loved one who has dementia. Scenes are integrated with comments and guidance from professionals in the field of dementia care. The goal is to provide caregivers (family and professional) with ways to reframe the caregiving dynamic into one that is more comfortable and productive for both the caregiver and person with dementia.

Helping People with Dementia in Activities of Daily Living, with 2 manuals (Terra Nova). (Length: 22 mins, Date: 1986) **Topics:** Caregiving, ADLs

Still photos with narration provide information on techniques that work well in helping people with dementia accomplish as independently as possible a variety of tasks including dressing, grooming, and performing simple household chores that can help increase independence and enhance quality of life.

Home Care for People with Alzheimer's Disease (Video & Resource Kit) Part 1 of 3 Parts. (Length: 10 mins, Date: 1995) **Topics:** Caregiving, Home Care

Part 1 of 3 part series designed to address day-to-day home care challenges for nonprofessional caregivers. A booklet with summary information is included for each video..

Home Care for People with Alzheimer's Disease (Video & Resource Kit) Part 3 of 3 Parts Home Safety. (Length: 10 mins, Date: 1995) **Topics:** Safety, Wandering

General safety, stumbles & falls, safety in bathroom & kitchen, wandering, sundowning. With manual.

Category: Caregiving

Home Care for People with Alzheimer's Disease (Video & Resource Kit) Part 2 of 3 Parts Activities of Daily Living. (Length: 10 mins, Date: 1995) **Topics:** Home Care, Behaviors

Mealtimes, washing and other personal care issues, planning outings, handling difficult behaviors. With manual

***Living with Alzheimer's Disease - The Family Caregiver's Guide. All 6 parts on one tape..** (Length: Unkn mins, Date: 1998) **Topics:** Caregiving

These 6 videos developed by the University of Maryland School of Medicine are interviews of caregivers by Peter V. Rabin, MD, MPH, co-author of The 36 Hour Day. Dr. Rabin asks caregivers questions about different stages and aspects of Alzheimer's Disease. Sample topics of discussion on each video are listed below.

***Living with Alzheimer's Disease - The Family Caregiver's Guide. Part 3 of 6 "Endings".** (Length: Unkn mins, Date: 1998) **Topics:** Caregiving, End Stage

Physical changes, advance directives, respite care, dealing with loss, and caregivers' experiences of the final years.

***Living with Alzheimer's Disease - The Family Caregiver's Guide. Part 4 of 6 "The New Relationship" Johns Hopkins U.** (Length: 20 mins, Date: 1998) **Topics:** Family, Caregiving, Stages

Understanding personality changes, accepting change, coping with loss, emotional issues, developing closer family bonds, discovering a renewed inner self, creating new roles, making decisions & plans for a previously independent person, maintaining respect.

***Living with Alzheimer's Disease - The Family Caregiver's Guide. Part 5 of 6 "Ethical Issues".** (Length: Unkn mins, Date: 1998) **Topics:** Caregiving, Overview

Convincing an unwilling person to get a medical exam, advance directives, communicating, limiting independence, family consensus, nursing home placement.

***Living with Alzheimer's Disease - The Family Caregiver's Guide. Part 6 of 6 "Caregiver's Options".** (Length: Unkn mins, Date: 1998) **Topics:** Caregiving, Overview

Family options based on each family's abilities, and the behaviors of the individual with Alzheimer's. Options discussed include support groups, home care, day care, nursing homes.

***Living with Alzheimer's: All 3 parts on one tape..** (Length: Unkn mins, Date: 1993) **Topics:** Caregiving, Overview

All 3 parts of the "Living with Alzheimer's" series on one tape.

***Living with Alzheimer's: Part 1 of 3 Understanding Alzheimer's.** (Length: Unkn mins, Date: 1993) **Topics:** Caregiving, Overview

The basic facts about this disease and what caregivers should expect.

Category: Caregiving

***Living with Alzheimer's: Part 2 of 3 Choices in Caregiving.** (Length: Unkn mins, Date: 1993) **Topics:** Caregiving
A practical guide to decision making for the daily care of Alzheimer's sufferers.

***Living with Alzheimer's: Part 3 of 3.** (Length: Unkn mins, Date: 1993) **Topics:** Caregiving, Stages
Insights of the progression of Alzheimer's disease and the impact on caregivers

Long Term Care Campaign: The Third Step to Dignity. (Length: 6.1 mins, Date: 1989) **Topics:** Long Term Care
Need narrative.

Managing and Understanding Behavior Problems in AD and Related Disorders Part 2 of 10 Overview Part II. (Length: 16 mins, Date: 1990) **Topics:** Overview, Behaviors
Delirium and Depression

***Alzheimer's Disease: What Every African-American Needs to Know.** (Length: 30 mins, Date: 2002) **Topics:** African-American

Produced by the Mayo Clinic Jacksonville in Florida as a way of promoting their local outreach efforts to screen African-American individuals, this video provides a good overview of the impact of Alzheimer's disease on African-American families, and the need for assessment and use of community support services.

***Alzheimer's: A Multicultural perspective.** (Length: 34 mins, Date: 1993) **Topics:** Multi-Cultural

Terra Nova. Documents Chinese, Japanese, Latino & Vietnamese families caring for elders with AD, facing obstacles including language barriers, non-support from families, inaccurate AD information and cultural norms mitigating against long term care placement. Possible solutions are discussed.

Ethnic Communities and Dementia: Making a Difference. (Length: 20 mins, Date: 2001) **Topics:** Multi-Cultural

This video documents the 7-year Alzheimer's demonstration program that ran in Washington State from 1993-2000. The video highlights four local projects each targeting a different ethnic population including Chinese, Hispanic/Latino, Korean, and Native American. The video was the result of a collaborative effort between the Alzheimer's Association of Western & Central Washington and various organizations in the state of Washington.

Facing Alzheimer's: An African-American Perspective (TNM Productions/Pfizer). (Length: 28 mins, Date: 2002) **Topics:** African American

This video, aimed at African-American families affected by Alzheimer's disease, addresses the need for diagnosis, and describes support services including in-home care, adult day care, and residential care. It focuses on traditional African-American concerns about asking for help, the role of the church in providing support, and provides a range of short interviews with family members and professionals to give a very helpful overview.

Facing Alzheimer's An African-American Perspective. (Length: 28 mins, Date: 2002) **Topics:** African American

Examines the challenges many African-American families encounter today as they confront this difficult and often misunderstood disease.

***Memories of Love: Families Caring.** (Length: 34 mins, Date: 1993) **Topics:** African American, Caregiving

Featuring primarily African-American families affected by Alzheimer's disease, this video addresses AD symptoms, caregiving strategies, a careful explanation of tests used in diagnosis, and a discussion of adult day care and personal care homes (assisted living) as support options for families. Note: Includes local Pittsburgh phone number to contact for more info, and uses old number for prevalence of Alzheimer's disease.

***Forgetting, The: A Portrait of Alzheimer's.** (Length: 120 mins, Date: 2004) **Topics:**
Overview

This PBS special is based on David Shenk's book by the same name. It's a documentary that provides a compassionate and dramatic look at Alzheimer's, weaving together the history and biology of the disease, the real-world experiences of those who have Alzheimer's and their caregivers, and the race to find a cure. The 90-minute documentary is followed by a half-hour show hosted by David Hyde Pierce leading people to local and national experts and resources.

Hasta Que Haya Una Cura: La Diagnósis de la Demencia en la Southwestern Clinic for Alzheimer's and Related Dementias [Until There is a Cure: Diagnosing Alzheimer's Disease]. (Length: 20 mins, Date: 1990) **Topics:** Spanish, Overview
Produced by the Texas Alzheimer's Association chapters with support from the National Family Caregiver Support Program, this video was specifically created for Hispanic/Latino caregivers and covers: Alzheimer's disease, communication, validation, addressing anxiety, activities, safety and self-care for the caregiver.

Helping Families Understand Alzheimer's Disease [Hawaiian, Ilocano (Philippines) & Vietnamese]. (Length: 57 mins, Date: 1996) **Topics:** Multi-Cultural, Overview
In cultures of Asian and Pacific Islander Americans, problems of older adults are frequently kept private. The vignettes in the program are designed to present the basics of Alzheimer's disease to this population in a culturally sensitive way, with an emphasis on getting a doctor's help and the importance of learning more about the disease. Vignettes are in Hawaiian, Ilocano (one of the Philippine's languages) and Vietnamese, with each vignette running between 9 and 16 minutes. Produced by the Executive Office on Aging, Honolulu, Hawaii

***La Enfermedad de Alzheimer y el Cuidador [Alzheimer's Disease and Caregiving].** (Length: 25 mins, Date: 2002) **Topics:** Spanish, Overview
Alzheimer's Disease: Services and Caring

La Enfermedad de Alzheimer: Servicios y Cuidados a Largo Plaza.. (Length: 17 mins, Date: 1991) **Topics:** Spanish, Overview
Orientation to Alzheimer's Disease

Living with Alzheimer's Disease - The Family Caregiver's Guide. Part 1 of 6 "The Beginning". (Length: Unkn mins, Date: 1998) **Topics:** Caregiving, Diagnosis, Early Stage
Recognizing early signs & symptoms, difficulty with everyday activities, confusion, appearance of depression, memory loss.

Category: Overview

Living with Alzheimer's Disease - The Family Caregiver's Guide. Part 2 of 6 "The Middle Years". (Length: Unkn mins, Date: 1998) **Topics:** Caregiving, Behaviors, ADLs.

Problems such as memory loss/confusion and hallucinations & suspicions, incontinence, lack of involvement, accepting limitations, simplifying tasks & routines, developing empathy, caregiver's frustrations.

***Living with Alzheimer's Disease A Guide for Patients and Caregivers with booklet.** (Length: 30 mins, Date: 2004) **Topics:** Overview, Caregiving

By Novartis with Patti Davis & Keith Hernandez. Program will help understand treatment options, manage challenges of daily living, plan for the future & get the support you need.

Managing and Understanding Behavior Problems in AD and Related Disorders All 10 of 10 parts. (Length: 171 mins, Date: 1990) **Topics:** Overview

Set of 10 videos with short manual that provides an overview of the causes of dementia, approaches for managing behaviors, specific kinds of behavior, and caregiving issues.

Managing and Understanding Behavior Problems in AD and Related Disorders Part 1 of 10 Overview Part I. (Length: 18 mins, Date: 1990) **Topics:** Overview, Behaviors

Alzheimer's Disease and Related Disorders

Orientacion Sobre la Enfermedad Alzheimer.. (Length: 17 mins, Date: 1991) **Topics:** Spanish, Overview

Orientation to Alzheimer's Disease

Orientation to Alzheimer's Disease. (Length: 18 mins, Date: 1993) **Topics:** Overview, Healthcare Professional

Interviews with a physician and family members. Focus on providing accurate information about symptoms, diagnosis, and caring techniques for individuals with the illness. Produced by the National Alzheimer's Association.

Someone I Once Knew. (Length: 60 mins, Date: 1982) **Topics:** Caregiving, Overview
Documentary demonstrating the impact of AD on five patients and their families, all at different phases of the illness. Excellent for use with persons unfamiliar with the everyday lives of patients and families trying to cope.

Together We're Changing the World. (Length: 10 mins, Date: 1996) **Topics:** Overview

Alzheimer's Association 1996 Annual Meeting

Alzheimer's Association – Southeastern Virginia Chapter
Video/DVD Holdings – Norfolk Office

8/27/2007

Category: Overview

***Understanding Alzheimer's Disease & Related Disorders (Video & Resource Kit.**

(Length: 15 mins, Date: 1995) **Topics:** Overview, Training

A teacher lesson plan and student handbook (both easy to photocopy) providing an overview of what Alzheimer's disease is, symptoms, and impact on families. The video was developed locally and features families from the Hampton Roads area. The curriculum was developed for the middle school grades.

Whispering Hope. (Length: 52 mins, Date: 1984) **Topics:** Stories, Research

Award winning documentary hosted by Jason Robards that includes moving family/victim profiles plus research findings.

Category: Personal Accounts & Stories

Aging with Grace (See also Caregiving with Grace) www.northwestmedia.com.

(Length: 22 mins, Date: 1999) **Topics:** Aging

An uplifting and spirited conversation among articulate seniors on the impact of aging and their sense of who they are. The bottom line: you need never stop growing and learning as you age, despite the limitations and losses that accompany the process. An eye-opening video for older people and caregivers alike, sure to erase any doubt that you CAN grow old gracefully.

Alzheimer's Disease: Inside Looking Out. (Length: 18 mins, Date: 1995) **Topics:**

Early Stage

A videotape featuring persons in the early stages of AD sharing their experiences, and the need for them to remain a respected participant in the decisions that affect their lives, from disclosure of diagnosis to planning for end of life choices. Video is followed by a tag video for those unfamiliar with the help available from the Alzheimer's Association.

Alzheimer's: My Mom, Our Journey. (Length: 45 mins, Date: 2002) **Topics:** Early Onset, Stories

This is the story of Gloria Jean Meisner and her battle with early onset Alzheimer's disease. Shown through the eyes of Gloria and her three children, this is an intimate documentary of one family's courageous battle with an unstoppable disease that is typically considered to be reserved for the elderly. Shot over the course of 18 months, and told in Gloria's own words, this is an intimate story of one family's experiences with this devastating disease.

***Caregiving with Grace (see also Aging with Grace).** (Length: 36 mins, Date: 1987)

Topics: Caregiving, End Stage

Part of an award-winning documentary, this video focuses on the caregiver's role in taking care of Grace Kirkland who had Alzheimer's disease and eventually died in 1990 at the age of 79. In this video, Grace is no longer able to speak, and needs assistance with activities of daily living.

***Caring for the Caring.** (Length: 30 mins, Date: 2005) **Topics:** Caregiver

Moving Documentary presents the ongoing challenges of two women who give loving care to their seriously ill husbands suffering from Parkinson's and Alzheimer's disease. Reveals the emotional and physical toll on these "silent heroines."

***Complaints of a Dutiful Daughter.** (Length: 44 mins, Date: 1994) **Topics:** Caregiving, Parents

Chronicles the various stages of a mother's AD and the evolution of a daughter's response to the illness. Neither depressing nor medical, it is much more than a story about AD and family caregiving. It is ultimately a life-affirming exploration of family relations, aging and change, the meaning of memory, and love.

Category: Personal Accounts & Stories

Do You Remember Love (Dave Bell Productions). (Length: 95 mins, Date: 1985)

Topics: Early Onset, Stories

A CBS made-for-TV dramatic special starring Joanne Woodward as Barbara Wyatt-Hollis, a 50 year old college professor and poet who is stricken with AD at the height of her career.

***Early onset memory loss: a conversation with Letty Tennis.** (Length: 22 mins, Date: 1992) **Topics:** Personal, Early Onset, Autobiography

Ms. Tennis courageously and honestly presents her reactions to her progressive memory loss. (Duke University)

Epilepsy and Alzheimer's Disease - PBS Video. (Length: 56 mins, Date: 1988) **Topics:** Related Disorders, Alzheimer's Disease

Two unrelated segments – the first half on a young woman with epilepsy. The second half focuses on Alzheimer's disease, and highlights the lives of Lee and Mary Rose who live life one day at a time, savoring the good times and enduring the bad.

Grace (2 copies missing, presumed lost). (Length: 58 mins, Date: 1995) **Topics:**

Caregiving, Spouse, Stories

Program follows the life of Grace Kirkland and the inspirational caregiving efforts of her husband for a period of 7 years. At the onset, Grace is seen to be having difficulty with short-term memory. Four years later, Grace is no longer able to speak and paces through her home. Finally, Grace is no longer able to walk or eat without assistance. Emmy award-winning documentary.

Iris. (Length: 90 mins, Date: 2002) **Topics:** Caregiving, Spouse, Stories

Celebrated English author Iris Murdoch was a brilliant young scholar at Oxford whose boundless spirit dazzled those around her. Now in her later years, cared for by her devoted husband John Bayley, we see the continued bond between these two and the power of dementia on an incredible individual.

More Than A Thousand Tomorrows (Terra Nova) VT. (Length: 22 mins, Date: 2003)

Topics: Sexuality, Caregiving

8 years after "A Thousand Tomorrows" revisit one couple from the original (Everett & Betty Jordan) that pictures what has happened over the past 8 years. Central is Everett's candid feelings & decisions regarding his intimate relationship with Betty and how he has coped.

Category: Personal Accounts & Stories

My Challenge with Alzheimer's Disease (Terra Nova). (Length: 16 mins, Date: 1996)

Topics: Autobiography

Beverly Wheeler, diagnosed with AD in her mid-50's, talks about how AD changed her life, how others perceived her and how the diagnosis was handled by her employer and the medical profession. A powerful education for professionals, families, caregivers and the public about what it means to have AD from the perspective of the person with the disease.

Myrna: The Mal Oriented. (Length: 27 mins, Date: 1997) **Topics:** Stories

Need narrative.

***Peace of Mind: A story about Alzheimer's.** (Length: 9 mins, Date: 2002) **Topics:**

Caregivers, Healthcare Professional

A first-hand documentation of a man's response, and that of his daughter, to Alzheimer's disease and death. Peace of Mind introduces families, caregivers, and medical personnel to the emotional impact of the disease.

Primetime Interview with Diane McGowan. (Length: 16 mins, Date: 1993) **Topics:**

Early Onset, Autobiography

This Primetime TV interview with Diane McGowan, then in the early stages of early-onset Alzheimer's disease, poignantly shows the impact of the disease on Diane and her husband. Diane was in her late 50s when she was diagnosed, and she describes honestly and clearly the ways her life has changed as a result of the disease.

***Reflections on Memories Lost: Stories of Early Alzheimer's Disease (Washington Univ, ADR center).** (Length: 33 mins, Date: 2002) **Topics:** Caregiving, Early Stage

Based on the book Speaking our Minds: Personal Reflections from Individuals with Alzheimer's by Lisa Snyder, this video features two characters – Booker, a man with middle AD cared for by his daughter, and Bea, a woman with mid-moderate AD cared for by her husband. This is a video version of the original stage production.

Thousand Tomorrow's, A: Intimacy, Sexuality, and Alzheimer's (Terra Nova Films). (Length: 31 mins, Date: 1995) **Topics:** Sexuality

Candid interviews with marital couples present various issues that affect intimacy and sexuality in their relationships: blurring of roles between caregiver and intimate partner as the need for caregiving increases, changes in behavior that affect intimacy between the partners, mismatch of sexual desire and attraction.

Abuse and the Dementia Patient (Univ of Md School of Med). (Length: 22 mins, Date: 2001) **Topics:** Behaviors

Care of individuals with dementia can present a significant challenge due to difficult behaviors exhibited. Nursing staff of the Johns Hopkins Bayview Geriatric Center provides some easy-to-implement strategies to prevent frustration and potential abuse situations from developing.

Activity Programming for Dementia by Mary Lucero Set of 4 Videos. (Length: Unkn mins, Date: 1999) **Topics:** Activities, Training

Four videos made of a training that Mary Lucero provided at Our Lady of Perpetual Help in Virginia Beach.

Alzheimer's Disease: Interviewing & Assessment Techniques for Social Workers.

(Length: 30 mins, Date: 1990) **Topics:** Training, Diagnosis, Alzheimer's Disease
Produced by the Alzheimer's Disease Research Center at Duke University Medical Center. For complete kit of 4 videos, see video training kits below.

***Alzheimer's Disease: Pieces of the Puzzle. This tape has Parts 1 through 5..**

(Length: 119 mins, Date: 1997) **Topics:** Training, Overview

Training program in five parts of both professional and family caregivers, presenting an overview of how memory and other brain functions work, how Alzheimer's disease and other forms of dementia are diagnosed, and how AD affects the brain and thus influences behavior and functioning. Videos were developed to correspond with 16-hour training outlined in accompanying training manual. Dramatizations show how experienced caregivers cope with communication problems, and experts demonstrate how to handle difficult behaviors using scenes from real life. A section on recreation explains how to choose and implement appropriate activities. The program also addresses how to provide personal care to people with AD.

***Alzheimer's Disease: Pieces of the Puzzle: Part 1 of 5 Introduction.** (Length: 35 mins, Date: 1997) **Topics:** Overview, Alzheimer's Disease

For both professionals and caregivers. Criteria for diagnosing dementia, aspects of brain functioning and memory, and effects of Alzheimer's disease on brain, behavior and functioning. Outlined in accompanying training manual

***Alzheimer's Disease: Pieces of the Puzzle: Part 2 of 5 A Practical Approach to Communication.** (Length: 23 mins, Date: 1997) **Topics:** Communication, Training

For both professionals and caregivers. Poignant and fast-paced dramatization in which 5 aides discuss and portray effective communication techniques. Training outlined in accompanying training manual

Category: Training, Technical Guides

***Alzheimer's Disease: Pieces of the Puzzle: Part 3 of 5 A Practical Approach to Activities of Daily Living.** (Length: 23 mins, Date: 1997) **Topics:** Training, ADLs
For both professionals and caregivers. Effective approaches to assisting with personal care activities of daily living. Combines footage of actual situations with caregiver interviews, narration, and dramatizations. Training outlined in accompanying training manual

***Alzheimer's Disease: Pieces of the Puzzle: Part 4 of 5 A Practical Approach to Problem Behaviors.** (Length: 23 mins, Date: 1997) **Topics:** Caregivers, Behaviors
For both professionals and caregivers. Explores common causes of problem behaviors, guidelines for coping with behaviors, and problem-solving approaches. Training outlined in accompanying training manual

***Alzheimer's Disease: Pieces of the Puzzle: Part 5 of 5 A Practical Approach to Recreational Activities.** (Length: 23 mins, Date: 1997) **Topics:** Activities, Training
For both professionals and caregivers. Upbeat program centered on footage of caregivers and person with dementia taking part in a variety of recreational activities. Discusses benefits of recreation, how to select successful activities, and how to introduce activities effectively. Training outlined in accompanying training manual

Assisting AD Families the Hospital Setting. (Length: 10 mins, Date: 1990) **Topics:** Family, Facilities, Training
Tape 4 of the 4-video set "Working with AD Patients and their Families" (see full set description below) developed by Elisabeth Hinman-Smith, MSW and Lisa Gwyther, MSW at Duke University Medical Center.

Balancing Act: Your Fall Prevention Program (with manual). (Length: 24 mins, Date: 2000) **Topics:** Falls, Training
This staff-training video teaches factors and conditions that increase the risk of a resident fall, the importance of assessing each resident for risk of falling, interventions relating to environmental, medical and behavioral causes of falls, how to respond after a resident falls, and the importance of good communication and problem-solving as a team effort. Accompanied by short presenter's guide.

Bathing Without a Battle. (Length: 60 mins, Date: 2003) **Topics:** Bathing, Training
Video and interactive CD-Rom that covers topics including simple practical approaches to making showering and bathing more comfortable, bathing equipment and supplies, facility bathing policies, and federal nursing home regulations dealing with bathing. Separate tracks are available for nurses, nursing assistants, nursing home administrators, surveyors, ombudsperson, and home caregivers.

Category: Training, Technical Guides

***Bon Appetit: How to Create Meaningful Mealtimes in Long Term Care. Part 1 of 2.** (Length: 22 mins, Date: 2001) **Topics:** Feeding

A two-part video (20 min & 22 min) series presenting a comprehensive mealtime program that focuses on principles of resident autonomy and person-centered care. Special attention is devoted to identifying the needs of people with dementia. The program covers the effects of dementia on communications, behavior and eating; creating dining experiences with less distraction; and how to prepare and serve food in a way that enables the resident to eat as independently as possible.

***Bon Appetit: How to Create Meaningful Mealtimes in Long Term Care. Part 2 of 2.** (Length: 20 mins, Date: 2001) **Topics:** Feeding

See description above for Part 1.

***Brush Those Teeth & Dentures: Mouth Care for the Dependent Elderly.** (Length: 22 mins, Date: 2001) **Topics:** Oral Care

This program was developed for all caregivers, including nursing assistants, home health aides, and family members. Demonstrations show how to brush another person's teeth and how to clean dentures.

Choice and Challenge: Caring for Aggressive Older Adults Across Levels of Care with manual. (Length: 23 mins, Date: 1998) **Topics:** Training, Anger

A training video with accompanying written materials designed by the American Psychiatric Nurses Association. The video was designed for nurses, nursing assistants, and other care providers who work with behaviorally impaired and aggressive older adults.

CNA's and Their Role in Skilled Nursing Facilities. (Length: Unkn mins, Date: 1998) **Topics:** Training, Facility Care

Novartis

Communicating the Impact of Alzheimer's Disease to Patients & Caregivers.

(Length: 20 mins, Date: 1999) **Topics:** Healthcare Professional

Produced by the Johns Hopkins University School of Medicine and underwritten by Eisai-Pfizer, this video was part of a 1 credit CME program for physicians working with families and patients who've just been diagnosed with Alzheimer's.

Communicating with the Alzheimer's-Type Population: The Validation Method.

(Length: 19 mins, Date: 1988) **Topics:** Communication, Validation

Naomi Feil demonstrates communication techniques in 2 role plays - Marge, the Blamer, and Muriel, the Wanderer. Each scenario demonstrates inappropriate and appropriate ways to interact with an elderly individual with dementia who is demonstrating "challenging" behaviors.

Category: Training, Technical Guides

Compassionate Touch: Benefits and Effects in Long Term Care Terra Nova.

(Length: 23 mins, Date: 1995) **Topics:** Therapeutic Activities, Training

A certified massage therapist shows the benefits of focused touch and gentle massage in caring for and relating to those who have Alzheimer's disease. The therapist works in a nursing home and an adult day care center, and administrators from both facilities offer their views and explain how residents benefit.

Day in the Life of Nancy Moore, A (Terra Nova). (Length: 28 mins, Date: 1990)

Topics: Training, Facility Care

This video was developed at Duke University specifically for nursing assistants who care for residents with dementia. The video follows nursing assistant, Nancy Moore through a typical day as she cares for residents in a calm, caring manner. Information on care issues is also presented in the video from the perspective of a physician, social worker, and family caregiver.

***Dealing with Physical Aggression in Caregiving: Non-Physical & Physical**

Interventions Part 1 of 3. (Length: 21 mins, Date: 1992) **Topics:** Training, Behaviors

This 3-video training package developed by Carly Hellen and Peter Sternberg teaches staff the procedures to avoid, and if necessary, contain, aggressive behaviors while still preserving the dignity of the resident. The series teaches both non-physical and physical interventions, along with the concept of "a unified staff response system" which is designed to bring staff support to deal safely with harmful situations. Each video covers specific threatening situations with both non-physical and physical interventions discussed and demonstrated.

***Dealing with Physical Aggression in Caregiving: Non-Physical & Physical**

Interventions Part 2 of 3. (Length: 25 mins, Date: 1992) **Topics:** Caregiving, Behaviors

Carly Hellen and Peter Sternberg teach staff the procedures to avoid, and if necessary, contain, aggressive behaviors while still preserving the dignity of the resident. Part 2 of 3

***Dealing with Physical Aggression in Caregiving: Non-Physical & Physical**

Interventions Part 3 of 3. (Length: 22 mins, Date: 1992) **Topics:** Training, Behaviors

Carly Hellen and Peter Sternberg teach staff the procedures to avoid, and if necessary, contain, aggressive behaviors while still preserving the dignity of the resident. Part 3 of 3

***Dealing with Sexually Inappropriate Behavior: 2 Segments, Segment 1 (18 mins) Masturbation & Sexually Provocative Behavior Segment 2 (24 mins) Physical Touching and Disrobing.** (Length: 42 mins, Date: 1996) **Topics:** Training, Sexuality, Behaviors

Sexually inappropriate or provocative behavior may trigger negative reactions and interfere with a staff's ability to manage these behaviors. Segment 1: Clinical vignettes illustrate how nursing home staff can develop effective ways of handling residents' inappropriate sexual behavior. Segment 2: Shows ways to bring inappropriate sexual conduct under control while maintaining a healthy environment; it explains why such behavior occurs and suggests ways to respond.

***Dealing With Sexually Inappropriate Behavior: Segment 1 Masturbation And Sexually Provocative Behavior.** (Length: 18 mins, Date: 1996) **Topics:** Training, Sexuality, Behaviors

Clinical vignettes illustrate how nursing home staff can develop effective ways of handling residents' inappropriate sexual behavior. VideoPress Univ of Maryland School of Medicine

***Dealing With Sexually Inappropriate Behavior: Segment 2 Physical Touching And Disrobing.** (Length: 24 mins, Date: 1996) **Topics:** Training, Sexuality, Behaviors
Shows ways to bring inappropriate sexual conduct under control while maintaining a healthy environment; it explains why such behavior occurs and suggests ways to respond. VideoPress Univ of Maryland School of Medicine

Defining Treatment Success: Real-Life Experiences in Managing Alzheimer's Disease (Johns Hopkins School of Medicine). (Length: 30 mins, Date: 2000) **Topics:** Training, Healthcare Professional, Treatment

CME (2 hours CE credit) Presents four real-life case studies. How each patient's physician diagnosed and treated AD and the treatment results. Self study program is flexible; the video can be watched first and the monograph read or vice-versa.

Dementia & People with Intellectual Disabilities. (Length: 23 mins, Date: 2002) **Topics:** Training, Down Syndrome, Related Disorders

Training video for professionals on how to care for individuals with Down's Syndrome who develop dementia. The video provides an overview of dementia, and guidelines for communication and care. The video is also included in the Alzheimer's Disease and Intellectual Disabilities Tool Kit.

Category: Training, Technical Guides

Dementia in Primary Care. (Length: 45 mins, Date: 1999) **Topics:** Healthcare Professional, Diagnosis, Treatment

Developed by Alzheimer's Disease International and Kings College London, this video was created to help general practitioners assess, diagnose, and work with individuals with dementia. Detailed guidance on administering the abbreviated mental test score, assessing activities of daily living, dealing with multiple diagnoses (i.e. for Parkinson's and depression), and determining caregiver support needs.

Dress Him While He Walks; Management in Caring for Residents with Alzheimer's. (Length: 19 mins, Date: 1993) **Topics:** Caregiving, Behaviors

Provides suggestions for dealing with behaviors such as restlessness/agitation, pacing, wandering, and aggressive behaviors. Discusses the importance of trying to identify the cause of the behavior problem and techniques for dealing with the behaviors. Excellent for respite care workers and nursing staff.

***Emergency Encounters: Managing the Individual with Alzheimer's Disease with accompanying Manuals.** (Length: 15 mins, Date: 1993) **Topics:** Emergency Responders

Video to accompany curriculum for emergency medical personnel. Developed by the Northern Virginia Chapter of the Alzheimer's Association. Interviews and discussion of emergency response communication and dementia-specific needs.

***EMSAT: Reporting Adult Abuse.** (Length: Unkn mins, Date: 2004) **Topics:** Abuse
Need narrative.

Even These May Forget. (Length: 18 mins, Date: 1990) **Topics:** Clergy, Spirituality

This video provides pastors and pastoral counselors with information about Alzheimer's disease, its treatment, the emotional and spiritual struggles that often accompany it, and what some of the available resources are for families who are dealing with the disease.

***Everyone Wins: Quality Care Without Restraints All 6 of 6 parts on one tape..**

(Length: 108 mins, Date: 1995) **Topics:** Training, Safety

Six segments filmed in various nursing facilities around the country, focusing on how care, safety, and working with difficult situations can be handled without use of restraints.

***Everyone Wins: Quality Care Without Restraints Part 1 of 6: The New Resident.**

(Length: 12 mins, Date: 1995) **Topics:** Restraints, Caregiving

Filmed in various nursing facilities around the country, focusing on how care, safety, and working with difficult situations can be handled without use of restraints.

Category: Training, Technical Guides

***Everyone Wins: Quality Care Without Restraints Part 2 of 6: Up and About: Minimizing the Risk of Fall Injuries.** (Length: 14 mins, Date: 1995) **Topics:** Falls, Caregiving, Restraints

Filmed in various nursing facilities around the country, focusing on how care, safety, and working with difficult situations can be handled without use of restraints.

***Everyone Wins: Quality Care Without Restraints Part 3 of 6: Working with Residents Who Wander.** (Length: 13 mins, Date: 1995) **Topics:** Wandering, Caregiving
Filmed in various nursing facilities around the country, focusing on how care, safety, and working with difficult situations can be handled without use of restraints.

***Everyone Wins: Quality Care Without Restraints Part 4 of 6: Getting Hit, Grabbed, and Threatened: What it Means, What to Do.** (Length: 14 mins, Date: 1995) **Topics:** Caregiving, Behaviors

Filmed in various nursing facilities around the country, focusing on how care, safety, and working with difficult situations can be handled without use of restraints.

***Everyone Wins: Quality Care Without Restraints Part 5 of 6: Staying Restraint Free Evenings, Nights, and Weekends.** (Length: 12 mins, Date: 1995) **Topics:** Caregiving, Restraints, Safety

Filmed in various nursing facilities around the country, focusing on how care, safety, and working with difficult situations can be handled without use of restraints.

***Everyone Wins: Quality Care Without Restraints Part 6 of 6: Now That the Restraints Are Off, What Do We Do?.** (Length: 13 mins, Date: 1995) **Topics:** Caregiving, Restraints, Safety

Filmed in various nursing facilities around the country, focusing on how care, safety, and working with difficult situations can be handled without use of restraints.

Freedom of Sexual Expression: Dementia & Resident Rights in Long Term Care Facilities, with 3 manuals. (Length: 16 mins, Date: 2001) **Topics:** Sexuality

Narrated by Anne Meara, this video looks at sexuality and intimacy as basic human rights that should not be denied simply because the person has a level of decreased cognizance and lives in a nursing home. The video tastefully shows various sexual expressions, the effect of those expressions on the residents and those around them, and methods to allow freedom of sexual expression while maintaining a comfortable environment for other residents and staff.

***Home Care Companion: How to Help Someone Who Uses a Wheelchair Without Hurting Yourself.** (Length: 35 mins, Date: 1997) **Topics:** Caregiving, Mobility, Training

Useful techniques for assisting someone in a wheelchair - getting up curbs, going down hill, getting from bed to wheelchair. Volume 2.

Category: Training, Technical Guides

Innocent Offender. (Length: 16 mins, Date:) **Topics:** Emergency Responders
A training video for law enforcement personnel that identifies the most common situations in which an officer may encounter a person with Alzheimer's disease.

MMSE Instructional Video (Novartis). (Length: 10 mins, Date: 2001) **Topics:** Diagnosis, Healthcare Professional
Produced by Novartis Pharmaceuticals, this video provides information for health care professionals on how to administer the Mini Mental Status Exam to measure and assess cognitive decline.

***Project Lifesaver TV Reports.** (Length: 18 mins, Date: 2002) **Topics:** Wandering, Safety
Overview of Project Lifesaver's tracking system to help those who wander and become lost. 7 segments from local and national TV focusing on Project Lifesaver's work with individuals with dementia & autism.

Real-Life Experiences in Managing Alzheimer's Disease (VT & Study Pamphlet) Johns Hopkins Univ School of Medicine). (Length: 30 mins, Date: 2000) **Topics:** Treatment, Healthcare Professional
Continuing Medical Education (2 Credit hours in Category 1) presents four real-life case studies. How each patient's physician diagnosed and treated AD and the results. The accompanying monograph summarizes each case in the video.

***Recognizing and Responding to Emotions in Persons with Dementia (7 mins taped over w Bill Cosby).** (Length: 22 mins, Date: 1997) **Topics:** Caregiving, Communication
In persons with dementia, non-verbal expression are an important part of communication. Learning how to recognize and understand these expressions is a crucial part of providing care for these persons. This video teaches caregivers of persons with dementia how to understand and decipher facial expressions, vocal signs, and body language.

Just for the Summer. (Length: 29 mins, Date: 1990) **Topics:** Youth, Behaviors
Philip, a high school track star, must come to terms with Alzheimer's disease when his grandmother comes to live with him and his parents for the summer. Her mood swings and unpredictable behavior take an emotional toll on him and his parents. Only when Philip reminisces with his grandmother does he accept her condition and begin to learn some of the facts of Alzheimer's disease. Excellent video for teens; has accompanying teacher's guide for use in schools.

My Name is Kevin. (Length: 10 mins, Date: 1993) **Topics:** Children, Parents
A story about a young boy, Kevin, whose grandmother has Alzheimer's disease and how he must learn to accept his grandmother's behavior and understand she can't help the things she does. Produced by the Rochester Chapter of the Alzheimer's Association.

Peege. (Length: 28 mins, Date: 1978) **Topics:** Youth, Communication, Family
A young man home for Christmas accompanies his family to visit his dying grandmother, Peege, in a nursing home. Peege is blind and losing her mental abilities. The visit is awkward, as the family struggles to communicate with the unresponsive woman. After the family leaves, the eldest son stays and talks with Peege about his memories of her, and is able to connect. A thoughtful story of communication with the elderly.
