Alzheimer's Association Memory Walk® is the nation's largest event to raise awareness and funds for Alzheimer care, support and research. Held annually in hundreds of communities across the country, this inspiring event calls on volunteers of all ages to become *Champions* in the fight against Alzheimer's. *Champions* include people living with the disease, friends, families, caregivers, and business and community leaders, all getting involved in Memory Walk.

In 2009, the Alzheimer's Association raised more than \$200 million nationally to help support the mission. The five walks hosted locally raised over a half a million dollars – and involved over 10,000 people (4,289 walkers backed by 5,333 supporters and 454 walk volunteers) – who had a great time!

GET STARTED TODAY!
