Driving Assessment Programs serving Saint Louis City and County

Agency Name / Address / Phone	Contact Name	Cost	Description
<p>Driver Safety Program (AARP) AARP Network (888) 227-7669 www.aarp.org/families/driver_safety/</p>		<p>In-class (\$12 for members; \$14 for non-members); On-line Course (\$15.95 for members; \$19.95 for non-members)</p>	<p>4 to 8 hour classroom refresher, normally taught in two, four-hour sessions spanning two days. Objectives of program are to tune up your driving skills; update your knowledge of the rules of the road; learn about normal age-related physical changes and how to adjust your driving to allow for these changes; reduce your traffic violations, crashes, and chances for injuries; and drive more safely. On-line course takes 6 hours to complete (on average, http://www.aarp.org/drive/online). Call or visit www.aarp.org/families/driver_safety to find a classroom course near you.</p>
<p>Driving Connections (Rehab Institute of St. Louis) 4455 Duncan Ave Saint Louis, MO 63110- (314) 658-3846 www.rehabinstitutestl.com</p>		<p>Assessment is not usually covered by insurance. Call for information and costs.</p>	<p>Occupational therapists specializing in driving assessments for individuals with varying medical diagnoses evaluate individuals for driving safety, adaptive equipment, and/or training needs. Evaluation includes a comprehensive clinical evaluation which is focused on the individual's functional abilities and medical conditions, followed by an on-the-road evaluation with an occupational therapist/driving rehabilitation specialist. At the end of the evaluation, recommendations will be provide to the patient/family and the referring physician. Resources for continued community mobility will be provided as needed.</p>
