Dear Families/Caregivers,

Below you will find the list of Diagnosis and Assessment Centers that you requested. Every effort has been made to offer a complete listing of Diagnosis and Assessment Centers that provide assessments and evaluations for persons who suspect they may have Alzheimer's disease or dementia. The Alzheimer's Association does not endorse any Diagnosis and Assessment Center listed. Inclusion or exclusion is not an indication of approval or disapproval. If the Alzheimer's Association can be of further service, please contact the HELpline at 713.314.1313 or 1.800.272.3900.

Thank you!
