

## Remember National Alzheimer's Awareness Month ... at Rita's!

*Alzheimer's Disease: Memory loss that disrupts everyday life is not part of the normal aging process. Since its founding in 1980, the Alzheimer's Association has been the leader in making the fight against this incurable illness a national priority.*

Who says cool treats are just for the summer? This November visit Rita's on Market Square, order the **Blueberry Italian Ice**, and Rita's will donate 25% of your purchase to the Alzheimer's Association!  
*\*By the way, research shows blueberries are good for the brain!*
