

Alzheimer's disease affects so many in our community. Alzheimer's Action Day is an opportunity to take a moment to remember all of those who struggled with this disease and honor those who are currently facing Alzheimer's.

#### The Facts:

- Every 69 seconds someone is diagnosed with Alzheimer's disease
- 5.4 million people have Alzheimer's in the U.S., including an estimated 48,000 in West Virginia
- By mid-century, someone will develop Alzheimer's disease every 33 seconds

#### You Can Help!

- Join Walk to End Alzheimer's to raise funds for care, support and research
- Become an advocate and join the fight to increase research funding
- Volunteer your time
- Learn the facts, schedule a community workshop for your church or civic organization

The Alzheimer's Association, WV Chapter provides free programs and services to individuals and families facing Alzheimer's disease, including: 24-hour, toll-free Education & Support Helpline, family care consultations, caregiver education, Information and Resource Centers, community workshops and over 40 support groups.
