We Are On The MOVE!

Memory Walk 2007 is just around the corner, and we are on the MOVE to end Alzheimer's disease! This year is gearing up to be the biggest and best Memory Walk season yet!

Memory Walk is the best opportunity to rally our communities around the devastating disease that is Alzheimer's. Over 47,000 West Virginians and their families and loved ones live everyday with the disease, and through Memory Walk, Alzheimer's disease will one day be only a memory.

Donations you and your team raise directly benefit people here in West Virginia, as well as provide the Alzheimer's Association the ability to be the largest private funder of Alzheimer's disease research. By participating in Memory Walk, YOU change lives!

On behalf of those affected by Alzheimer's disease, thank you for your commitment to our vision of a world without Alzheimer's disease.

Thank You to 2006 Top Fundraising Teams!

Thank you to all of the teams that participated in the 2006 Memory Walk! Congratulations to all of the top fundraising teams!
