THE EVENING OF IMPACT GALA

The Evening of Impact Gala brings together our incredible community of supporters, partners, and community leaders in celebration of the strides we have made in the fight against Alzheimer's disease. This annual event allows us to share critical advancements in research, treatment, and advocacy, and helps us raise the necessary funds to continue moving the mission forward to create a world without Alzheimer's and all other dementia.

As an event sponsor, your partnership supports the Alzheimer's Association Central Ohio Chapter so it may continue to serve the community, improving the lives of those living with Alzheimer's disease and the lives of their families and caregivers.

The Gala will be held at the Columbus Museum of Art on Wednesday, May 13th at 6:30pm. Heavy hors d'oeuvres and beverages are included with each ticket, as well as musical entertainment, Gala activities, and access to CMA's incredible art collections. Valet and lot parking will be available. Attire typically ranges from smart professional to cocktail.
