Myths & Truths of Leadership

with Dr. Sandra Davis

Monday, February 10, 2025

5:30 p.m.

Alzheimer's Association (Lower Level Training Room)
12701 Whitewater Drive, Minnetonka, MN 55343

Whether you are currently in a leadership role, aspire to lead or have ideas for your leadership based on your experiences - this is the presentation for you.

During this interactive discussion, Dr. Davis, an established executive and professional leadership coach, will detail the concept of leadership through influence - or leading from where you are, how to engage with your supervisor for more effective leadership and different types of leadership styles.

RSVP to Maria at mclind@alz.org

Sandra Davis is a courageous executive who knows how to influence powerful leaders. She is charming, persuasive, and savvy in the time-tested business practices of talent management, leadership development, and organizational change consulting. As co-founder of MDA Leadership Consulting, she has built a culture based on real-world experience, client intimacy, and customized solutions for leaders who demand real-world results.
