The requirements for this grant are detailed in this Award Letter, which includes the Award Details, Financial Information Sheet, Conditions of Award, and the Intellectual Property, Licensing and Commercialization Policy as one document. The document must be signed at the bottom of this letter by the institutional official and Principal Investigator, and each subsequent page of the Conditions initialed where required by the institutional official and uploaded to your online file as a "pdf."

All of the above are required and must be **submitted electronically** to activate the award. **Hard copies of the required documents will not be accepted.**

The Alzheimer's Association depends upon private support to invest in meritorious research projects. Therefore, your help and support are very important in the efforts to educate the general public and the scientific community about the disease and the Association. In accepting this research grant award, you agree to credit the Alzheimer's Association for providing funds for this research whenever you present the research or publish articles about the

project. In addition, your acceptance allows the Alzheimer's Association to use your likeness in presenting your findings through press releases, interviews, or other activities such as hosting lay language abstracts on alz.org, and sharing Alzheimer's Association funding information to public databases (i.e. International Alzheimer's & Dementia Research Portfolio, [IADRP](#)). Please note the attached Conditions of Award for details of this commitment.

It is necessary for both you and a representative from the business office or Office of Sponsored Research from the <<LeadInstName>>, to sign the form below. The signatures verify that the award is accepted by the Institution with the attendant requirements and that no part of this research project has been funded from another source.

Also, complete the included form requesting the information for the business official that has fiscal responsibility for this award. **Please retain a copy for your files and upload the complete Award Letter, Conditions of Award, and Intellectual Property, Licensing, and Commercialization Policy document to the pcCentral site.**

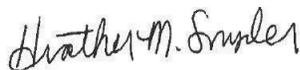

Thank you for your support of the Alzheimer's Association and commitment to research on Alzheimer's disease. If you have any questions, please contact grantsapp@alz.org.

Sincerely,

Maria C. Carrillo, PhD.  
Chief Science Officer, Medical & Scientific Relations  
Alzheimer's Association

Sincerely,

Heather M. Snyder, PhD.

While it is acceptable for a project to have multiple funding sources, **no part of this application has overlapping funding from another source.**

***The Alzheimer's Association depends on volunteers for its exemplary grant review process and to help communicate our funding programs, impact and outcomes.*** Your grant could not have been funded without the hard work of those volunteers and without our philanthropic partners. **The Association expects that you will be open and willing to join these volunteers, if you are not already, by remaining an active reviewer in our system** by connecting to the Alzheimer's Association in your community (as applicable) and by responding to the Association's requests to engage in additional outreach.

**By signing this document you are agreeing to all of the terms and conditions.**
