Build a support system with people who understand.

Alzheimer's Association® support groups, conducted by trained facilitators, are a safe place for people living with dementia and their care partners to:

- Develop a support system.
- Exchange practical information on challenges and possible solutions.
- Talk through issues and ways of coping.
- Share feelings, needs and concerns.

To learn more about all available resources, visit www.alz.org/TexasCapital or call 800.272.3900.
