MIDLANDS REGION SUPPORT GROUPS

Questions? Contact our Helpline at **800.272.3900** or contact Candace Taylor at cataylor@alz.org.

Build a support system with people who understand.

Alzheimer's Association® caregiver support groups, conducted by trained facilitators, are a safe place for caregivers, family and friends of persons with dementia to exchange practical information on caregiving challenges, possible solutions and learn about community resources, talk through issues and ways of coping and share feelings, needs, ideas and concerns. An online community is also available at alzconnected.org.

The local monthly meetings below are free, confidential and open to anyone caring for a person with Alzheimer's disease or related dementia. *See special notes in purple.*

If you need an in-home care sitter in order to attend a group, learn how to access this service at no cost by calling the Alzheimer's Association South Carolina Chapter at least 2 weeks in advance at 800.272.3900.
