Designing Environments Alzheimer’s Association Green-Field Library, 2019

**Videos**

**The green house project.** Parts 1 & 2
Robert Wood Johnson Foundation
18 min.
“The Green House Project is an attempt to design, build and test a radically new approach to residential long-term care for the elderly. It is founded on the idea that the physical and social environments in which we deliver long-term care can and should be warm, smart, and green.” Part 1: https://www.youtube.com/watch?v=ruo2_wBwZMw;
Part 2: https://www.youtube.com/watch?v=5R8vmm8An5Y

**Home modification resources**

Web Resources

Dementia design info.
Milwaukee, WI: Institute on Aging and Environment: University of Milwaukee.
A Web site for designers, facility providers, and anyone interested in the creation of supportive environments for persons with dementia. Contains searchable databases of environment-aging literature and other practical resources.
http://www4.uwm.edu/dentiadesigninfo

Health promotion by design in long-term care settings.
A study reporting the physical environment impacts and outcomes in resident quality of life, resident safety, and staff stress.
http://www.healthdesign.org/chd/research/health-promotion-design-long-term-care-settings

Green House Project
Contains: understanding the Green House model; the Green House model works; the Green House experience; and more.

Long-term care for people with dementia: environmental design guidelines
Richard Fleming and Nitin Purandare
Full-text: http://ro.uow.edu.au/cgi/viewcontent.cgi?article=1675&context=hbspapers

Nursing home.
Washington DC; National Institute of Building Sciences. Nursing homes present special design challenges in that for most residents the nursing home is not just a facility, but indeed their home. This article discusses building attributes, codes and standards in the U.S. and emerging issues. http://www.wbdg.org/design/nursing_home.php

Physical environmental cues that support activities of residents with dementia in special care units: a thesis presented to the graduate school of the University of Florida in partial fulfillment of the requirements for the degree of master of interior design. (M.A. Thesis)
