

PERSON-CENTERED DEMENTIA CARE TRAINING AND CERTIFICATION — FROM THE EXPERTS.

Prepare your staff to deliver quality care with **essentiALZ[®]** — Alzheimer’s Association Training and Certification.

The online training and certification offers professional care workers:

- » Convenient learning through a self-paced online curriculum.
- » Practical and comprehensive training based on the nationally recognized, evidence-based Alzheimer’s Association Dementia Care Practice Recommendations — the benchmark for quality person-centered care across the disease spectrum.
- » Recognition for knowledge of quality care practices through **essentiALZ Certification**, which is valid for two years.

Claim continuing education credit at no additional cost.

Professionals who complete **essentiALZ** — Alzheimer’s Association Training and Certification can claim three Continuing Nursing Education credits, as well as three continuing education credits for Social Work, Physical Therapy, Psychology Occupational Therapy and Nutrition/Dietician. For disclosure and accreditation information, visit alz.org/essentiALZ-credit.
