Pasteur Medical Centers and Wellmax presenting sponsor for Alzheimer’s Association Walk to End Alzheimer’s Miami

Walk to End Alzheimer’s is the world’s largest event dedicated to Alzheimer’s care, support, and research.

MIAMI, Fla., May 26, 2023 – Pasteur Medical Centers and Wellmax Medical Centers will join the Alzheimer’s Association Southeast Florida Chapter as the 2023 Walk to End Alzheimer’s presenting sponsor in Miami. The Walk will take place on Saturday, Dec. 9 at FIU’s Riccardo Silva Stadium.

“Our clinics across South Florida are committed to the health and well-being of seniors,” said Ola Odewole, President of Wellmax Medical Centers, Pasteur Medical Centers and EasyScripts Pharmacy.

More than 6 million Americans are living with Alzheimer’s disease – a leading cause of death in the United States. Additionally, more than 11 million family members and friends provide care to people living with Alzheimer’s and other dementias.

On Walk day, attendees honor those affected by Alzheimer’s with the poignant Promise Garden ceremony – a mission-focused experience that signifies participants’ solidarity in the fight against the disease. The colors of the Promise Garden flowers represent participants’ personal connections to Alzheimer’s disease and the reasons they walk.

“Alzheimer’s disease has a profound impact on the health of the communities we serve, and as a healthcare leader in the community, we are pleased, as in the previous two years, to join in the Walk to End Alzheimer’s to help raise funds for research and treatment for those affected by this disease.”
