Capstone at Royal Palm presenting sponsor for Alzheimer’s Association Walk to End Alzheimer’s Palm Beach

Walk to End Alzheimer’s is the world’s largest event dedicated to Alzheimer’s care, support, and research.

PALM BEACH, Fla., September 5, 2023 – Capstone at Royal Palm will join the Alzheimer's Association Southeast Florida Chapter as the 2023 Walk to End Alzheimer’s presenting sponsor in Palm Beach. The Walk will take place on Saturday, Oct. 28 at Dreher Park.

“We walk for a cure. We walk to fight for those who can not fight for themselves,” said Joe Conlon, executive director for the company.

According to the Alzheimer's Association’s 2023 Facts and Figures report, more than 6 million Americans are living with Alzheimer’s disease – a leading cause of death in the United States. Additionally, more than 11 million family members and friends provide care to people living with Alzheimer’s and other dementias.

On Walk day, attendees honor those affected by Alzheimer’s with the poignant Promise Garden ceremony – a mission-focused experience that signifies participants’ solidarity in the fight against the disease. The colors of the Promise Garden flowers represent participants’ personal connections to Alzheimer’s disease and the reasons they walk.

“We walk to honor those living with the disease,” added Conlon.

Alzheimer’s Association Walk to End Alzheimer’s®
The Alzheimer’s Association Walk to End Alzheimer’s is the world’s largest event to raise awareness and funds for Alzheimer’s care, support and research. Since 1989, the Alzheimer’s Association mobilized millions of Americans in the Alzheimer’s
Association Memory Walk®; now the Alzheimer’s Association is continuing to lead the way with Walk to End Alzheimer’s. Together, we can end Alzheimer’s.

Alzheimer’s Association®
The Alzheimer’s Association is a worldwide voluntary health organization dedicated to Alzheimer’s care, support and research. Its mission is to lead the way to end Alzheimer's and all other dementia – by accelerating global research, driving risk reduction and early detection, and maximizing quality care and support. Visit alz.org or call 800.272.3900.
