**Pasteur Medical Centers and Wellmax supporting sponsors for Alzheimer’s Association Walk to End Alzheimer’s Broward**

*Walk to End Alzheimer’s is the world’s largest event dedicated to Alzheimer’s care, support, and research.*

**BROWARD, Fla., August 21, 2023** – [Pasteur Medical Centers](#) and [Wellmax Medical Centers](#) will join the [Alzheimer's Association Southeast Florida Chapter](#) as a supporting sponsor for the 2023 Walk to End Alzheimer’s in Broward. The Walk will take place on Saturday, Nov. 18 at Nova Southeastern University.

“Our clinics across South Florida are committed to addressing the physical and behavioral health needs of seniors in our community,” said Luisney Pedroso, Staff Vice President of Practice Management and Clinical Operations for Wellmax Medical Centers, Pasteur Medical Centers and EasyScripts Pharmacy.

More than 6 million Americans are living with Alzheimer’s disease – a leading cause of death in the United States. Additionally, more than 11 million family members and friends provide care to people living with Alzheimer’s and other dementias.

On Walk day, attendees honor those affected by Alzheimer’s with the poignant Promise Garden ceremony – a mission-focused experience that signifies participants’ solidarity in the fight against the disease. The colors of the Promise Garden flowers represent participants’ personal connections to Alzheimer’s disease and the reasons they walk.

“Alzheimer’s has an impact not only on some of the patients we see in our clinics, but also on their loved ones and their caregivers. As a trusted healthcare provider, we are proud to help lead the charge and bring greater awareness and funding for Alzheimer’s research.”
