Vertical Bridge joins Walk to End Alzheimer’s Boca Raton as a supporting sponsor

*Walk to End Alzheimer’s is the world’s largest event dedicated to Alzheimer’s care, support, and research.*

BOCA RATON, Fla., August 10, 2023 – *Vertical Bridge* will join the Alzheimer's Association Southeast Florida Chapter as the 2023 Walk to End Alzheimer’s supporting sponsor in Boca Raton. The Walk will take place on Sunday, November 12 at the South County Regional Park.

“Alzheimer’s is a disease which profoundly affects many of our friends and loved ones, and we’re honored to support the 2023 Walk to End Alzheimer’s in Boca Raton,” said Kimberlee Mulhare, vice president of human resources for Vertical Bridge.

More than 6 million Americans are living with Alzheimer’s disease – a leading cause of death in the United States. Additionally, more than 11 million family members and friends provide care to people living with Alzheimer’s and other dementias.

On Walk day, attendees honor those affected by Alzheimer’s with the poignant Promise Garden ceremony – a mission-focused experience that signifies participants’ solidarity in the fight against the disease. The colors of the Promise Garden flowers represent participants’ personal connections to Alzheimer’s disease and the reasons they walk.

“Our team is committed to giving back to the communities where we live and work and so are proud to help the Alzheimer’s Association lead the way raising awareness and funds for Alzheimer's care, support and research.”
