

**LONG TERM FACILITIES LIST WITH NURSING CARE WITH NURSING CARE
OR ASSISTED LIVING SPECIAL CARE UNITS FOR PEOPLE WITH
ALZHEIMER'S OR DEMENTIA**

644 Linn St., #1026 Cincinnati, OH 45203 | 800-272-3900

**** LIST DOES NOT CONSTITUTE ENDORSEMENT **** The attached list is of local facilities having special care units for memory-impaired individuals. No particular community resource is recommended or endorsed, but referrals are made to families in response to their requests for information on local programs and services. Geographic location, availability, family preference, and the uniqueness of each situation are taken into consideration when providing referral information. Families need to visit and evaluate facilities in which they are interested to determine if the facility will be the individuals needs, as well as the family's needs. This is not an all-inclusive list of facilities. Many nursing facilities provide dementia care but do not have specifically designated units, and there may be other facilities in our service area that we are unaware of having special care units. Note: Assisted living dementia care units may not be covered by the Medicaid Assisted Living Waiver in some facilities.
