What Families Need to Know…
When the Diagnosis is Alzheimer’s Disease or Related Dementia
A Care and Support 2018 Workshops for Family Caregivers

Caring for someone with cognitive impairment is a 24-hour a day, 7-day a week challenge. This series of educational sessions provides an opportunity for families to learn and share together in an informal setting. Topics are presented by experts in their fields, including physicians, nurses, social workers and attorneys.

In this program, participants will:

⇒ Develop a better understanding of medical aspects of dementia, including diagnosis, stages and treatment
⇒ Learn strategies to cope with daily challenges, such as communication, behaviors, safety and personal care
⇒ Receive information about legal and financial planning, including advance directives, Medicaid and more
⇒ Identify community services to help you now and in the future, such as respite care and long-term care
