Writing our Lives as Caregivers

Gateway West Park
 (3rd floor Conference Room)
 644 Linn St.
 Cincinnati, OH 45203

A free guided writing seminar for caregivers

Before you began this dementia journey with your loved one, could you have even imagined how your life and relationships would change? The tenderness. The pain. The anxiety. The sense of purpose. The loss of identity. The love. Your story is an important one. Annette Januzzi Wick is the author of *Findyouinthesun.org*, where she explored the waltz with her mother's dementia. She leads this nurturing and inspiring writing session to help you tell your story on the page. This is an opportunity to use writing to reflect on your shared journey and to share as much or as little as you choose in a supportive and safe circle of other caregivers. No previous writing experience is necessary; participants of previous workshops are welcome to return.
SPACE IS LIMITED. REGISTRATION REQUIRED.
