

Minority Health Community Forum African Americans and Alzheimer's: The Silent Epidemic

African Americans are twice as likely at risk of developing Alzheimer's and less likely to be diagnosed. Learn more. Get the care and support you need.

Come hear a brief overview on Alzheimer's, dementia and memory loss along with information about our free programs and services. Bring a friend who has been affected by the disease. Share your thoughts about how we can help people in your community. Rep. Marcia L. Fudge (OH-11) will welcome attendees.
