ClinCloud joins Walk to End Alzheimer’s Orlando as a supporting sponsor

Walk to End Alzheimer’s is the world’s largest event dedicated to Alzheimer’s care, support, and research.

ORLANDO, Fla., August 2, 2023 – ClinCloud will join the Alzheimer’s Association Central and North Florida Chapter as the 2023 Walk to End Alzheimer’s supporting sponsor in Orlando. The Walk will take place on Saturday, Oct. 7 at Walt Disney Amphitheatre at Lake Eola.

"Alzheimer’s research is an ongoing journey of discovery, driven by the dedication and collaboration of scientists, clinicians, and patients. Together, we can make significant strides towards understanding, treating, and preventing this disease," said Esteban Olivera, medical director for ClinCloud.

More than 6 million Americans are living with Alzheimer’s disease – a leading cause of death in the United States. Additionally, more than 11 million family members and friends provide care to people living with Alzheimer’s and other dementias.

"Research is the key that unlocks the door to a future where Alzheimer’s disease is no longer a looming threat. Every contribution to Alzheimer’s research brings us one step closer to a world free from this devastating condition,” added Jessica Branning, ClinCloud’s CEO.

On Walk day, attendees honor those affected by Alzheimer’s with the poignant Promise Garden ceremony – a mission-focused experience that signifies participants’ solidarity in the fight against the disease. The colors of the Promise Garden flowers represent participants’ personal connections to Alzheimer’s disease and the reasons they walk.
