Massey Services presenting sponsor for Alzheimer’s Association Walk to End Alzheimer’s Orlando

Walk to End Alzheimer’s is the world’s largest event dedicated to Alzheimer’s care, support, and research.

ORLANDO, Fla., June 5, 2023 – Massey Services will join the Alzheimer's Association Central & North Florida Chapter as the 2023 Walk to End Alzheimer’s presenting sponsor in Orlando. The Walk will take place on Saturday, Oct. 7 at Walt Disney Amphitheatre at Lake Eola.

“Massey Services is proud to support the Alzheimer’s Association and their Walk to End Alzheimer’s for the second consecutive year,” said Andrea Massey-Farrell, senior vice president of community relations with Massey Services.

According to the Alzheimer's Association's 2023 Facts and Figures report, more than 6 million Americans are living with Alzheimer’s disease – a leading cause of death in the United States. Additionally, more than 11 million family members and friends provide care to people living with Alzheimer’s and other dementias.

On Walk day, attendees honor those affected by Alzheimer’s with the poignant Promise Garden ceremony – a mission-focused experience that signifies participants’ solidarity in the fight against the disease. The colors of the Promise Garden flowers represent participants’ personal connections to Alzheimer’s disease and the reasons they walk.

“So many of us have been impacted by this debilitating disease, and we believe it’s critical that we support the association as they continue to lead the charge in the care, support, research and advocacy for Alzheimer’s and all other forms of dementia.”
