Renstar Medical Research joins Walk to End Alzheimer’s Ocala as a presenting sponsor

Walk to End Alzheimer’s is the world’s largest event dedicated to Alzheimer’s care, support, and research.

OCALA, Fla., August 4, 2023 – Renstar Medical Research will join the Alzheimer's Association Central and North Florida Chapter as the 2023 Walk to End Alzheimer’s supporting sponsor in Ocala. The Walk will take place on Saturday, Oct. 14 at the World Equestrian Center.

“Alzheimer’s Disease can touch anyone's life. Renstar is fully committed to Researching for a Cure in our hometown, Ocala, Florida,” said Renstar Medical Research.

More than 6 million Americans are living with Alzheimer’s disease – a leading cause of death in the United States. Additionally, more than 11 million family members and friends provide care to people living with Alzheimer’s and other dementias.

On Walk day, attendees honor those affected by Alzheimer’s with the poignant Promise Garden ceremony – a mission-focused experience that signifies participants’ solidarity in the fight against the disease. The colors of the Promise Garden flowers represent participants’ personal connections to Alzheimer’s disease and the reasons they walk.

“Our patient volunteers are the heart and soul of this endeavor. Their contribution of time and participation fuels our mission for a brighter future, where every precious memory is cherished and preserved, untouched by Alzheimer’s.”
