Tampa General Hospital presenting sponsor for Alzheimer’s Association Walk to End Alzheimer’s Tampa

Walk to End Alzheimer’s is the world’s largest event dedicated to Alzheimer’s care, support, and research.

TAMPA, Fla., August 3, 2023 – Tampa General Hospital will join the Alzheimer’s Association Florida Gulf Coast Chapter as the 2023 Walk to End Alzheimer’s presenting sponsor in Tampa. The Walk will take place on Saturday, Nov. 11 at Amalie Arena.

“Tampa General Hospital is proud to be a supporter of the Alzheimer’s Association Walk to End Alzheimer’s,” said Thomas Cairo, senior administrator Neuroscience Service Line.

More than 6 million Americans are living with Alzheimer’s disease – a leading cause of death in the United States. Additionally, more than 11 million family members and friends provide care to people living with Alzheimer’s and other dementias.

On Walk day, attendees honor those affected by Alzheimer’s with the poignant Promise Garden ceremony – a mission-focused experience that signifies participants’ solidarity in the fight against the disease. The colors of the Promise Garden flowers represent participants’ personal connections to Alzheimer’s disease and the reasons they walk.

“The Alzheimer’s Association continues to provide valuable support services to individuals living with Alzheimer’s and their caregivers, while also supporting critically-needed research. We see the dramatic impact Alzheimer’s has on individuals, families and companies, and are committed to helping the Alzheimer’s Association find a cure.”

Alzheimer’s Association Walk to End Alzheimer’s®
The Alzheimer’s Association Walk to End Alzheimer’s is the world’s largest event to raise awareness and funds for Alzheimer’s care, support and research. Since 1989, the Alzheimer’s Association mobilized millions of Americans in the Alzheimer’s Association Memory Walk®; now the Alzheimer’s Association is continuing to lead the way with Walk to End Alzheimer’s. Together, we can end Alzheimer’s.

**Alzheimer's Association**
The Alzheimer’s Association is a worldwide voluntary health organization dedicated to Alzheimer’s care, support and research. Its mission is to lead the way to end Alzheimer's and all other dementia – by accelerating global research, driving risk reduction and early detection, and maximizing quality care and support.
