NEW PORT RICHEY, Fla., August 11, 2023 – Denmon Pearlman Law will join the 2023 Walk to End Alzheimer’s as a presenting sponsor in Pasco County. The Walk will take place on Saturday, Oct. 7 at Sims Park.

“Denmon Pearlman Law is thrilled to be a sponsor for the upcoming Pasco County Walk to End Alzheimer’s. Denmon Pearlman has sponsored this spectacular event for the last two years and it continues to grow in size and enjoyment,” said Nicole Denmon, founding Partner & Trial Lawyer at Denmon Pearlman Law.

According to the [Alzheimer's Association's 2023 Facts and Figures](https://www.alz.org/2023factsandfigures) report, more than 6 million Americans are living with Alzheimer’s disease – a leading cause of death in the United States. Additionally, more than 11 million family members and friends provide care to people living with Alzheimer’s and other dementias.

On Walk day, attendees honor those affected by Alzheimer’s with the poignant Promise Garden ceremony – a mission-focused experience that signifies participants’ solidarity in the fight against the disease. The colors of the Promise Garden flowers represent participants’ personal connections to Alzheimer’s disease and the reasons they walk.

“The community comes together during this event for a cause that is near and dear to so many. Not only does the community raise money at the Walk, but we also have so much fun walking, talking to other community and business owners, and participating in the social events leading up to the Walk.”
