Now in its 30th year, the Rocky Mountain Conference on Dementia is the region’s premier, one-day event recognized for bringing together experts to share the latest innovations, care strategies and best practices in dementia care. If you are living with Mild Cognitive Impairment (MCI) or early-stage dementia; a family member or friend of someone affected; a student or healthcare professional, please register today!

**FEATURED KEYNOTE SPEAKERS:**

**REBECCA M. EDELMAYER, PH.D**
DIRECTOR, SCIENTIFIC ENGAGEMENT, ALZHEIMER’S ASSOCIATION

Dr. Edelmayer leads efforts to accelerate the scientific agenda of the Alzheimer’s Association through the creation and delivery of ongoing research education. She manages initiatives uniting researchers and clinicians with leaders of industry, regulatory agencies and the government on topics related to blood-based biomarker testing, use of digital health technologies and biotech approaches in studying dementia. Dr. Edelmayer has over 17 years of experience as a practicing scientist and educator.

**NADINE ROBERTS CORNISH, CSA**
AUTHOR, CAREGIVER CONSULTANT, AND TRANSFORMATIONAL SPEAKER

Nadine is founder of The Caregiver’s Guardian, LLC (TCG), a consultation and support services agency for family caregivers. Her journey began 25 years ago when she became caregiver to her mom who suffered a brain tumor, stroke, vascular dementia and breast cancer. This 15-year journey led Nadine to launch TCG. For the past 10 years, she has been an advocate for family caregivers and the Alzheimer’s Association. She is author of the award winning book, Tears In My Gumbo, The Caregiver’s Recipe for Resilience.
