

THE BRAINS BEHIND SAVING YOURS.™

How to be an Alzheimer's Champion-Volunteer opportunities

Volunteer leaders are crucial to achieving the goals, mission, and vision of the Alzheimer's Association. We invite all members of AKA to consider becoming a chapter volunteer. Your influence, reach and commitment will help the Association better engage the African-American community; providing families the Alzheimer's education, care and support needed now more than ever.

There are many ways to volunteer and we encourage you to ask the Association how you can help! Here are some ideas:

- Member of Chapter diversity advisory group (if applicable)
- Member of Chapter Speakers Bureau (if applicable)
- Member of Chapter Board of Directors (if applicable)
- Complete a TrialMatch profile
- Become a trained community educator
- Become a trained Support Group Leader
- Become an advocate
- Become an ambassador
- Member of an ambassador-led team
- Solicit member input to help staff and volunteers identify challenges and solutions to better reach the African-American Community

Please reach out to your local Alzheimer's Association contact or visit alz.org/findus for more information and to begin making an impact in the African-American community.
