

ROAD MAP ACTION ITEMS

DEVELOP POLICIES & MOBILIZE COMMUNITY PARTNERSHIPS

- P-01 Collaborate in the development, implementation, and maintenance of state Alzheimer's disease plans.
 - P-02 Integrate cognitive health and impairment into state and local government plans (e.g., aging, coordinated chronic disease, preparedness, falls, and transportation plans).
 - P-03 Promote incorporation of cognitive health and impairment into state and local public health burden reports.
 - P-04 Integrate Healthy People 2020 objectives on "Older Adults" and "Dementias, including Alzheimer's disease" topic areas into state-based plans.
 - P-05 Engage national and state organizations and agencies to examine policies that may differentially impact persons with dementia, including Alzheimer's disease.
-
