Our vision is a world without Alzheimer’s.

Our nationwide mission is to eliminate Alzheimer’s disease through the advancement of research, to provide and enhance care and support for all affected, and to reduce the risk of dementia through the promotion of brain health.

The Desert Southwest Chapter’s purpose is to empower and support individuals, families, care partners and communities affected by dementia in Arizona and southern Nevada.

We Are Here to Help You

**Helpline / Information & Referral**

Call 1-800-272-3900, 24-hours a day, 7 days a week, to speak confidentially with a trained Helpline specialist who will provide information, support and referrals to local resources.

**Family Care Consultation**

A professional Care Consultant can assist you with individualized guidance on care options, interventions and resources to address your immediate needs and plan for the future.

**Support Groups**

Trained facilitators meet with small groups of current and former caregivers to share information and experiences, build new skills, and offer peer support and ideas.

**Education**

Our Education Programs are designed to increase awareness and knowledge about the disease. Topics of these practical sessions include introductions to the disease, behavioral challenges, long-term planning and much more.

**Early Stage**

Early Stage programming helps to engage and educate persons diagnosed with Alzheimer’s disease and their loved ones.

**About Our Support Groups**  

Alzheimer’s Association Desert Southwest Chapter offers a variety of specialized Support Groups. From general community to Veteran’s to Early Stage, our groups are ready to help you along your journey.  

Trained facilitators meet with small groups to share information, feelings and experiences, build new skills, and offer peer support and ideas. Solicitations or research projects are not conducted at group meetings.  

There is no cost for attending and no commitment to come back – just a family of friends who care.
