COMMUNITY CONNECT PROGRAMS

AFTERNOON AT THE ANTON

Afternoon at the Anton is a free program done in collaboration with the Anton Art Center. During the program we will have a facilitated art discussion followed by art creation in the studio. No artistic experience is required! Pre-registration is required one week in advance.

DETROIT HISTORICAL SOCIETY

Remembering the J.L. Hudson Company, Detroit's legendary Department Store. To Detroiters, the name "Hudson's" evokes many memories. The world's largest American flag. Freedom Festival fireworks. Magical, animated Holiday windows, and the home of the real Santa Claus. Maurice salads. Throngs of dressy shoppers in one of the largest department stores in the world! Those memories come alive in this lecture presentation by Hudson's veteran and historian Michael Hauser. Attendees will relive a day at Detroit's home grown retailer, once the anchor of Woodward Avenue.

DETROIT SYMPHONY ORCHESTRA PARTNERED EVENTS

Join us for a series of events with the Detroit Symphony Orchestra (DSO)! Organized with a person with dementia in mind, our outings give you an upfront and behind-the-scenes look at the DSO.

EARLY-STAGE SOCIAL CLUB

The Early-Stage Social Club is a recreational program that promotes cognitive, physical and social well-being for individuals in the early stages of Alzheimer's disease or another dementia. It promotes relaxation and helps reduce stress and anxiety. Participants will enjoy a comfortable environment that fosters socialization and connection with others going through similar life experiences. Meetings feature free chair yoga followed by a coffee social. RSVP required by the week before the event

MEET ME @ THE BBAC

Join us for facilitated discussion and art studio time. RSVP required by the Tuesday before the event.

MEMORY CAFÉ

Our memory café is a place where anyone with or concerned about memory loss, along with their family, friends or care partner can come together in a safe, supportive, comfortable and engaging environment to laugh, cry, learn and remain socially active. The Memory Café is open to those in all stages of dementia. Join us for the Memory Café meeting at the Civic Park Senior Center in Livonia. Each meeting will include a planned activity giving everyone a chance to try something new while connecting, creating and sharing.
