COVID-19 Tips for Caregivers: COVID-19 presents new challenges for caregivers and persons living with the disease. Click here to view our tips for dementia caregivers.

Alzheimer’s Association 24/7 Helpline (800.272.3900): The Helpline is answered day or night by trained dementia specialists. Through our Helpline, we can offer support, information, referrals, or care consultations to our constituents in more than 200 different languages.

Care Consultations: Care consultations are available by phone and provide families with a comprehensive needs assessment, individualized action plan to address current and future needs, and connections to critical chapter services and community resources. To schedule an appointment, call 800.272.3900.

Support Groups: The Alzheimer’s Association has a network of caregiver or early-stage support groups statewide. This network is a lifeline and source of support and education for many. Alzheimer’s Association support groups use a unique, confidential conference call line specifically assigned to their group. To find a support group to join, please call our 24/7 Helpline at 800.272.3900 or visit Community Resource Finder.

ALZConnected: This online support group is available 24/7 at alzconnected.org.

Alzheimer’s Navigator: Alzheimer’s Navigator helps guide Caregivers to answers by creating a personalized action plan and linking you to information, support and local resources. alzheimersnavigator.org

Community Resource Finder: A comprehensive database to help caregivers easily locate dementia resources, program and services in their area. Visit communityresourcefinder.org for more information.
