The Alzheimer’s Association

- ...is the world’s leading voluntary health organization in Alzheimer’s care, support and research.
- ...is the largest private funder of Alzheimer’s research, having committed in excess of $405 million to more than 2,600 projects over the life of our grants program.
- ...advocates for change and fights for the interests of people living with the disease and their families.

Of the 5.5 million Americans with Alzheimer’s, an estimated 5.3 million people are age 65 and older, and approximately 200,000 individuals are under age 65 (younger-onset Alzheimer’s).
