* This facility has a care capabilities disclosure form on file. This form has been provided to the Alzheimer's Association by the facility and identifies the services they provide and the parameters of needs they are able to meet. These forms are available to you as you consider your options. If you are considering a facility that does not have such a form on file, a blank one can be provided to you and you are encouraged to have the facility complete one before you make your decision.

The Heart of America Chapter provides programs and services in 66 counties in Kansas and Missouri. These programs and services are made possible thanks to generous donations from individuals, corporations, and foundations. Contributions and donations allow the Chapter to provide supportive services, including care consultations, free of charge to individuals and families.
