LIVING WITH ALZHEIMER'S EARLY STAGE - FOR CAREGIVERS • OLATHE, KS

Monday, March 2, 10:30 a.m. – 11:30 a.m.

In the early stage of Alzheimer's disease, families face new questions as they adjust. What does the diagnosis mean? What kinds of plans need to be made? What resources are available to help? This program provides practical answers to the questions that arise in the early stage. Poplar Court, Phoenix Family, 519 E. Poplar St.

REMOTE LEARNING SERIES

Wednesday, March 11

Wednesday, April 8

This program is providing the opportunity to attend a education session close to home. Join us for a monthly program to learn about memory disorders and the challenges associated with managing them. Programs are held at the Padula Education Center, 3856 W. 75th Street, Prairie Village, KS 66208 from 1:00 – 2:00 p.m. and also at various other locations listed on our website, alz.org/kansascity. March's topic is **"Engaging in Activities"** and April's topic is **"Legal and Financial Planning."**

UNDERSTANDING ALZHEIMER'S AND DEMENTIA

Alzheimer's disease is not a normal part of aging. Join us to learn about the impact of Alzheimer's — the difference between Alzheimer's and dementia, stages and risk factors, current research and treatments available for some symptoms, and Alzheimer's Association resources.

EDUCATION PROGRAMS

In areas served by our Regional offices:

EFFECTIVE COMMUNICATION STRATEGIES • FORT SCOTT, KS

Wednesday, March 18, 12:00 – 1:30 p.m.

Communication is more than just talking and listening – it's also about sending and receiving messages through attitude, tone of voice, facial expressions and body language. As people with Alzheimer's disease and other dementias progress in their journey and the ability to use words is lost, families need new ways to connect. This program will provide practical information and resources to help dementia caregivers learn to decode verbal and behavioral messages from people with dementia. Fort Scott Community College, 2108 Horton.

HEALTHY LIVING FOR THE BRAIN AND BODY: TIPS FROM THE LATEST RESEARCH PROGRAM

This workshop covers four areas of lifestyle habits that are associated with healthy aging:

Cognitive activity, physical health and exercise, diet and nutrition, and social engagement. On each area, we will discuss what we know, drawing on current research, as well as what we can do to take steps now to improve or maintain overall health in each area. This workshop is designed for individuals of any age who are looking for information on ways to age as well as possible.

MISSOURI ADVOCACY DAY • JEFFERSON CITY, MO

Wednesday, March 4

This is the day that you can be the voice of those with Alzheimer's and help us educate our elected officials about the importance of Alzheimer's care, support, and research. Please contact Brenda Gregg for more information, bgregg@alz.org.

THE LONGEST DAY REGISTRATION

The Longest Day is the Alzheimer's Association's second signature event. Choose an activity you love, or that the person you are honoring loves. Participate in the event and invite friends, co-workers, and family to do it with you and/or donate to your fundraising efforts. And then we all will celebrate our fundraising totals on the actual longest day of the year, June 20. Register today at alz.org/tld.

RIVALZ STATELINE: KANSAS VS. MISSOURI REGISTRATION

The RivALZ women's flag football game is August 8 at Avila University. We need players, coaches, and superfans - all who will fundraise for the privilege of participating. For more information about the fundraising details, the impact this game has in your community, and how to register, go to rivalzkc.org.
