

From out of the darkness and cold,
the light and hope return.

THE LONGEST NIGHT

As the longest night, December 21, approaches, we invite you to light a candle of hope for all those facing Alzheimer's. Stop by our Melville office on December 20 from 9 a.m. to 6 p.m. to pick up your candle and enjoy a cup of hot cocoa.

You can also help light the way to a cure by joining us for *The Longest Day 2019!* Your continued support provides help for those affected today and hope for a cure tomorrow.

Register at alz.org/thelongestday by December 21 to receive a Longest Day insulated bag plus a complimentary upgrade to a performance t-shirt.
