

Get the Emotional Support You Need

Support groups provide a place for friends and family to share valuable information, caregiving tips and concerns throughout the Alzheimer's journey.

If you are considering attending a support group, note that schedules and times change occasionally. Please call our **24/7 Helpline at 800.272.3900** before attending a group for the first time to verify meeting information, obtain directions or other information about the group.

Are you unable to attend a support group in person? **ALZConnected®**, powered by the Alzheimer's Association, is a social networking community designed specifically for people with Alzheimer's disease and their family and caregivers. Members can get connected to share concerns and advice. Learn more at www.alzconnected.org.
