Let’s Keep the Momentum Going!

What do you get when you combine a paralyzing cold front, dancing stars and 700 advocates marching on Washington? You get momentum. In February we held our annual Alzheimer’s Day at the Legislature and, despite the paralyzing ice storm that hit Santa Fe, we had a fantastic day. Our speakers that day included Representatives Jeanette Wallace and Conrad James, Senators Richard Martinez and Jerry Ortiz y Pino, family advocates Lisa Vigil and Liz Alarid, and our State Ombudsman, Sondra Everhart, who all spoke so movingly about the impact of Alzheimer’s disease.

The Day at the Legislature was followed by our first annual Gala, held at Embassy Suites on April 1. I would like to thank Enchantment Dancing Studio owner Chip Hindi and his professional dancers for working so hard to get our Dancing Stars prepared for a highly competitive and hugely entertaining event. While I knew that the event would be successful, I had no idea it would be over-the-top fantastic. Not only did the event help us raise needed revenue, more importantly it helped us raise awareness of the Association and the services we provide. The excitement and enthusiasm from the event remains palpable in our office and in the Albuquerque community.

In May, Melissa Spiers and I joined more than 700 advocates from around the country at this year’s Advocacy Summit. In meeting with our federal representatives we learned that indeed Alzheimer’s is beginning to be seen as the public health concern we know it to be. It is because of the advocacy of the Alzheimer’s Association that President Obama signed into law the National Alzheimer’s Project Act. This law will create a national plan to overcome the Alzheimer crisis and will ensure the coordination and evaluation of all national efforts in Alzheimer research, clinical care, institutional, and home- and community-based programs and their outcomes. We invite you to join us in that advocacy.

One way to get involved is to join us on 9.10.11 as we Walk to End Alzheimer’s. As many of you know we entered this year with a rebrand of Memory Walk. In order to really gain momentum we will have all of our Walks across the state on the same day. So anywhere you are in NM you can walk with us on September 10 because we will be walking in Farmington, Raton, Los Alamos, Santa Fe, Albuquerque, Roswell and Las Cruces—from one end of the state to the other. Let’s keep the momentum going!

One of the people most responsible for the momentum at the Association is John Attwood whose term as Board President is ending. While he remains on the board as Past President, I thank him for his leadership and strategic thinking. He has truly made a difference.

This spring the Association lost a terrific champion in Representative Jeanette Wallace of Los Alamos. We so appreciate her support over the years for our cause and for the passion she brought to issues affecting seniors in the state. She was one of the speakers at this year’s Alzheimer’s day at the Legislature and I would like to share a quote from that day: “We tend to forget that our neighbors who are caregivers of Alzheimer’s patients need our support all the time. When we talk about the cost of Alzheimer’s we usually think financial cost, but the cost of Alzheimer’s is a cost to us all on the inside.”
From the President of the Board

Time to Take a Fork in the Road with a New President

In the immortal words of that famous NY Yankees catcher, Yogi Berra: “When you come to a fork in the road…take it.”

About six months ago, I faced the reality that my tenure as President of the Board would be over in May 2011. We needed to find someone that would “take the fork in the road,” and not just take the fork but determine the correct fork to take. I can’t think of a better way to communicate my deep appreciation to Dan Monte, Senior Vice President and Trust Manager for Los Alamos National Bank. Dan has accepted the opportunity to serve as President of the Board of Directors of the Alzheimer’s Association, New Mexico Chapter. Dan has expertise, wisdom and compassion, three qualities that will serve our Board and our State well. Dan understands the effects of the disease.

Let’s reminisce for just a moment…

Much has been accomplished in the last few years. Special thanks to my two previous predecessors, Mike Lord and Greg Gillogly. They were a constant support and resource for me. I can’t express how many times they were there when I needed their wisdom and guidance.

It has been a pleasure to work with our Executive Director, Agnes and her very capable staff. We have seen tremendous growth in terms of the size of the Association but also in the reach of the Association.

We have a long way to go to meet the needs of every person in New Mexico with Alzheimer’s and the caregiver’s and families of those touched by the disease.

Please continue to stay involved and if you aren’t currently involved, join us.

It has been my pleasure to serve.

—John Attwood
About 400 elegantly dressed people had a great time on April Fool’s Day at our 1st Annual “Dancing Stars” Gala. After an equally elegant dinner, the 10 local celebrities were paired with professional dancers from Enchant-ment Dancing to perform in front of a panel of “celebrity” judges.

Money was raised through online voting before the event, voting at the Gala and at the silent auction.

Annabel Roberts, owner of Vida Pharmacy won the “You’re Our Star: Top Fundraiser” award. The judges choice for best dance performance went to movie critic Sara Voorhees with Chip Hindi, owner of Enchantment Dancing. Madison Tabet took home the “Fan Favorite: Most-votes-at-the-Gala” award.

After the competition, everyone was invited to dance to “Soul Kitchen,” a great blues band featuring Hillary Smith and Chris Dracup.

Our Gala Committee was so helpful and a huge part of the event’s success: Jason and Kelli Baca, Christina Boothe, Ryan DeBlois, Mary Galvez, Annie Jaques, Janet Laswell, Anne McKinney, David Romero, Roberta Simoni, and Peter Tras.

Judges: Dr. Ricardo Ortega, Roberta Simoni, Mary Martinez and Shelly Ribando

Emcees: Myles Copeland and Deanna Sauceda

Celebrity Dancers: Amy Bailey and Bruce Puma, Carmelina Hart, Antonio Reyna, Annabel Roberts, David Romero, Eric Strauss, Madison Tabet, Kristen Van Dyke and Sara Voorhees

We couldn’t have had “Dancing Stars” without the generosity and expertise of Chip Hindi, owner of Enchantment Dancing who donated all the dance lessons — we give him our deepest thanks.

---

### Alzheimer’s Association New Mexico 2011 Events

- **Walk to End Alzheimer’s**
  - Saturday, September 10
- **World Alzheimer’s Day**
  - Wednesday, September 21
- **UnFOREgettable Golf Classic**
  - Monday, October 10
- **November is National Alzheimer’s Awareness Month**
  - Saturday, November 5
  - Open House
  - Wednesday, November 16

Special Programs Coordinator Works with the Gamut of Projects

When she joined the Alzheimer’s Association last December, Theresa Burch had no idea that her first event as Special Programs Coordinator would involve her dressing up in a purple lizard costume to make an impression on New Mexico state legislators. But being a “sure-why-not” person, she dressed up in our “Lizzy” suit for Alzheimer’s Day at the Roundhouse in Santa Fe on February 1. “It was fun!” she said, adding that she’s looking forward to doing it again in 2012.

Theresa loves working with people and thoroughly enjoyed a 10-year career as a medical assistant. Like most of our staff members, she has a personal connection that led her to want to work with an organization focused on dementia and Alzheimer’s disease.

Working with volunteers, committee members and staff, Theresa coordinates many of the various elements of fundraising events. She helps set up and maintain the online databases that are used by Memory Walk and Golf Tournament teams, and she makes sure teams get all the information, materials and support they need to be successful. Theresa will be helping with the details of other events such as the Caregiver Conference and annual Gala. She is currently working on four fundraising events to help support the New Mexico Alzheimer’s Association team, the Purple Paddlefooters, for the Walk to End Alzheimer’s. One event is a Dine and Donate at Nothing But Noodles, 5011 Montgomery Blvd NE, Albuquerque, Tuesday, July 12, 11 am-9 pm with 15% of all sales that day going the Alzheimer’s Association. The other three events take place at the Association’s Albuquerque office:

Garage Sale Saturday, June 25, 8-11 am
Pampered Chef Party Thursday, July 21, 4-6 pm
Enchilada Cook-Off Friday, August 5, 3-6 pm

A native of Boston, Theresa has been in Albuquerque for 12 years. She is the mother of a four-year-old daughter and the wife of a Bernalillo sheriff’s deputy.

For questions about events, or to participate in any of our fundraising activities, call Theresa at 505-266-4473.
Development Director Hits the Ground Running

Many activities and events were already underway on many levels when Megan McCormick started as our new Development Director in February. But being a seasoned marketing and public relations professional, as well as a longtime marathon runner, she took everything in stride and got busy doing what needed to be done.

Her job consists of many different roles, but the essence of Megan’s work is bringing in funds. To do this, she works in tandem with Melissa Spiers in Outreach (to help develop donor relationships with both businesses and individuals) and with Theresa Burch in Event Planning (Memory Walk, Golf Tournament, Gala). She oversees the logistical elements of various events to make sure everything goes smoothly (such as coordinating volunteers, helping committee chairs, getting permits, hiring vendors, etc.). She works with a grant writer to make sure applications are correct and on time. She recruits volunteers.

This Albuquerque native has lived in several cities across the country from Detroit to Denver and, while pursuing a career in marketing and sales, has also been a very active mom. She has a daughter age 13 and two sons ages six and three. She was delighted to come home to Albuquerque and thoroughly enjoys a busy schedule with her family that includes bike riding, athletics and church.

Even with a home life that is constantly in motion, Megan maintains a high level of energy and enthusiasm because, she said, she sees her job as “a labor of love.” She learned about the Alzheimer’s Association when she first moved back to New Mexico and was working at a local assisted living facility. She “fell in love with the people and the process” and volunteered for an Association fundraiser last year.

One of the pleasures of her position is coming up with new ideas for fundraising events such as “Spinathon” or a motorcycle bikers “ride.” She has been talking with a local theater company that is producing “On Golden Pond” this fall about a special preview of the show for donors. A portion of ticket sales would go to the Association. Stay tuned to see which ideas are used, and feel free to share your fundraising ideas with Megan — when she’s not on the run.
Special Projects Coordinator Focuses on Veteran’s Project

A grant from the federal government, matched by our state government, is helping New Mexico veterans who have Alzheimer’s disease and giving their caregivers get much-need information and support.

The Alzheimer’s Association of New Mexico is administering the rural component of this grant through a new Special Projects Coordinator, Melissa Muniz.

Melissa is a fourth-generation Santa Fean who has 14 years of experience in the hospitality industry in group sales. While working with associations and nonprofits she noticed how focused, happy and well-rounded these clients were. She realized she wanted to get more involved with the community and be able to go home at the end of the day with a feeling of gratification and accomplishment.

The Alzheimer’s Association’s need for the right person to coordinate the Veteran’s Project fit perfectly with Melissa’s ability to disseminate information and coordinate services while fulfilling her desire to “do something worthwhile.”

Melissa drives to rural areas — recent trips included Artesia and Roswell — to visit places where senior veterans are likely to be found, including VFW halls, Veteran’s Administration hospitals and senior centers. She takes informational brochures and arranges for Alzheimer’s Association staff to conduct “Savvy Caregivers” training courses.

There are about 180,000 veterans of all ages in New Mexico, and about half of them are over age 60. The majority of veteran services are concentrated in Albuquerque, which leaves rural areas underserved. The Veteran’s Project specifically targets those veterans who either have Alzheimer’s disease or who are caring for a loved one with the disease. Providing practical tools and teaching caregiving skills, the program is to help them develop a sense of control.

The Savvy Caregivers training covers dealing with ways to cope with the daily life of dementia care, understanding and responding to Alzheimer’s behaviors, how to use friends, family, health care providers and the Alzheimer’s Association for advice and help. It also stresses self care for the caregiver.

A single mother of an active four-year-old daughter, Melissa enjoys “outdoorsy” activities such as trips to the zoo and parks.

For more information, or to ask for assistance provided by the Veteran’s Project, call 1-800-272-3900.

Do you know about our hand-crafted Remembrance Quilt? It was designed so that each white square can be decorated with a purple ribbon that has the name of a loved one on it. Squares are available for a donation of $50 each. Call 505-266-4473 for details or to donate.
