

2020 IRONMAN Lake Placid Alzheimer's Association Team

*Limited spots available to join our team -
a once in a lifetime experience!*

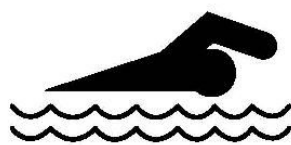

There are a million reasons to dedicate your race to fighting Alzheimer's.
In fact, 5.8 million Americans currently live with the disease.
Help us cross the finish line and find a cure.

The Alzheimer's Association's signature event The Longest Day[®] signifies a day when you do what you love, in honor of the one you love. Why not dedicate your race* to joining us in the fight against Alzheimer's?
