## Spotlight on the Latest Research

### MILWAUKEE AREA

Join us for a Meet & Greet to learn about the latest Alzheimer's and dementia research. Network with colleagues in a beautiful setting and view work from local artists, while enjoying snacks and beverages brought to you by Sendik's Food Market.

**JUNE 6 - 2:00-5:00 P.M.**  
**SHARON LYNNE WILSON CENTER FOR THE ARTS**  
**3270 MITCHELL PARK DR., BROOKFIELD**

**Jake Decker, MD**

Medical College of Wisconsin

PREVENTABLE study: Pragmatic Evaluation of Events and Benefits of Lipid Lowering in Older adults. This is a six year clinical trial being held nationally, and locally. The focus is on prevention of cardiovascular disease and onset of dementia and Alzheimer's in healthy individuals 75+. The study team would discuss current prevention and lifestyle to promote healthy living, why our research is being done, and provide information for those who want to learn more.

**Ariba Khan, MD**

Advocate Aurora Health

Delirium transitions - when a patient is discharged home from the hospital.

### SPECIAL GUEST

Also joining us at the event is Marty Schreiber, author of *My Two Elaines: Learning, Coping, and Surviving as an Alzheimer's Caregiver*, for his exciting new national book launch.
