2021 Blue Lotus Farm & Retreat Center Safety Guidelines

Blue Lotus Farm & Retreat Center is here for people to enjoy the outdoors and be inspired. Because everyone’s health and safety is our top priority, Blue Lotus continues to implement important procedural changes which we would like to review with you. Guidelines from CDC and Washington County Health Department are being followed to help stop the spread of COVID-19. We want all of our guests to be able to relax and have fun during their visit.

These guidelines may change and latest updates will be communicated on the day of the event.

- Blue Lotus staff will be wearing masks or comparable face covering at all times. It is recommended that attendees wear a mask, if possible, if they interact with Blue Lotus staff or volunteers within a 6 feet distance.
- Bathrooms have been updated to limit touch surfaces, including installing automatic water faucets, soap dispensers, and towel dispensers for the two bathrooms in the pavilion.
- Bathrooms will be clean upon arrival.
- No more than 16 people allowed on the boardwalk area at one time in order to practice at least 6 feet of social distancing.
- Wash hands for a minimum of 20 seconds with soap and water or uses hand sanitizer before getting fishing gear.
- Six people are allowed on the pier to fish at one time. Six feet distance is required between individuals who are not in the same household.
- Fishing poles will be cleaned between use. Once used, poles need to be put in the area to be cleaned, not passed to anyone else.
- Life preservers will be clean and ready to use. Once used, life preservers need to be put in the area to be cleaned, not passed to anyone else. Wash hands soap and water or use hand sanitizer before getting oars and preservers.
- Other equipment will be clean upon arrival and ready to use including: bean bag toss, hammocks, badminton, bocce ball, Frisbees, swings, and hula hoops.

Group Attendees should not Visit Blue Lotus if:

- They are experiencing recognizable symptoms of COVID-19, including a fever, dry cough, shortness of breath, or difficulty breathing.
- They have been exposed to someone who has had COVID-19 (by testing or medical diagnosis) within the past 14 days.

We look forward to seeing you this year and appreciate your cooperation on these procedures!
