

SUPPORT GROUPS Wisconsin

What is an Alzheimer's Association Support Group?

A support group is a safe place to learn, offer and receive helpful tips and meet others coping with Alzheimer's disease or other dementia. Meetings typically take place monthly, and are always free, and are open to the public.

Grief & Bereavement Support Group.....	Call Shai Wise at 414.775.7578 for upcoming date and details.	

For persons who have experienced the death of their loved one affected by Alzheimer's disease or related dementia. Family members express they have grieved the loss of their loved one twice. Their initial grief often begins when the person experiencing the disease is no longer the individual that they were and the second time when death occurs. This Support Group will help provide bereaved individuals with a non-threatening atmosphere to explore feelings, emotions and needs.
