

## Person-centered dementia care training and certification.

Transforming quality care.

### ABOUT essentiALZ

Take advantage of this opportunity to receive quality care training and certification from experts at the Alzheimer's Association.

- Designed for individual professional care workers in long-term and community-based care settings: assisted living, nursing homes, home care, life plan communities, adult day centers and hospice.
- \$60 for 3-hours; 6 modules.
- Available online and mobile-friendly.
- Professionals who complete can claim 3 Continuing Nursing Education credits, and/or 3 continuing education credits for Social Work, Physical Therapy, Psychology, Occupational Therapy and Nutrition/Dietician.
- Personalized certificate provided after successful completion; valid for two years.

### BENEFITS

**Convenient learning** with self-paced online curriculum.

**Practical and comprehensive** training based on the nationally-recognized, evidence-based Alzheimer's Association Dementia Care practice recommendations.

**Individual recognition** for knowledge of quality care practices through essentiALZ Certification.
