

MEMORY CAFÉ – NOW MEETING VIRTUALLY

**RIVEREDGE NATURE CENTER
4458 COUNTY ROAD Y SAUKVILLE, WI**

What is a Memory Café?

Memory Cafes are places where persons with MCI (Mild Cognitive Impairment), early-stage Alzheimer's or a related dementia can go with their care partners to socialize and have fun with other people going through similar journeys. Memory Cafes consist of activities, informal conversation, and light refreshments. Memory Cafes provide a time where you do not need to focus on a diagnosis, but instead have a great time connecting with each other and creating new friendships.
