#Tau2022

Add to your  GOOGLE CALENDAR **OR**  APPLE/OUTLOOK CALENDAR

The Tau2022 Global Conference will convene colleagues from academia, industry, philanthropy and government to discuss tau-based biology, biomarkers, therapeutics and phenotypes. Together, we can increase collaboration across disciplines to address challenges in tau research.

Students, postdoctoral researchers, ISTAART members and individuals based in low and middle income countries can attend Tau2022 at no cost. Register at alz.org/tau.

Sessions are listed in Eastern Standard Time (North America). Schedule is current at the time of posting. Content is listed as submitted.

POSTER PRESENTATIONS

Beginning February 22, explore posters from across the world and leave comments for authors around the clock on the virtual platform. Poster topics include Biomarkers: Neuroimaging; Biomarkers: Non-Neuroimaging; Clinical Manifestations; Drug Development: Human; Drug Development: Non-Human; Epidemiology; Genetics; Molecular and Cell Biology; Neuropathology; and more.
